

# WELCOME NATIONAL BLACK THEATRE FESTIVAL

Why do we spend thousands of dollars on dresses and pants— for the sake of looking neat - yet neglect the apparel that cover our feet.

We even cut and trim our hair to adorn our skull  
while leaving our shoes ran-over dull:

So the next time that you plan your grand affairs - remember -  
Zeke's Shoe Shine Shop is ready to do your repairs.

We provide whole-soles, half-soles, taps, and heels -plus -  
the best shoe shine that's been around for several years! ....

**CONGRATULATION ON YOUR 10TH ANNIVERSARY!**
