MAYOR 2013
ROBBIE
JOBS

Recruit national companies on a regional basis that will be located in the Piedmont Triad because of its geography and transportation infrastructure. Grow our small businesses - Small business is the backbone of Greensboro and America.

POSITIVE ACTION INSTEAD OF **NEGATIVE TALK**
"ONE CITY - ONE VISION"

MAINTAIN OUR CITY'S INFRASTRUCTURE

We cannot afford to allow our infrastructure to deteriorate in order to "save" the taxpayers money. We must build a downtown that's a centerpiece for economic development.
