Chenita Barber Johnson for Winston-Salem/Forsyth County School Board Dist. #1

Dear District 1 Voter:

I am Chenita Barber Johnson candidate for the Winston-Salem Forsyth County School Board in District 1, and I am asking you for your vote. I believe we must have equal education that is quality driven and helps all students achieve their full academic potential.

- Schools are re-segregated with much economic disparity within the attended zones
- Schools primarily in District 1 are performing poorly in math and science
- Many schools are underutilized
- On time graduation rate for minority students is low
- At the end of 12 years some students receive a certificate of attendance instead of a diploma

We need a new and cohesive vision which must coordinate mentoring programs such as my Brother's Keeper, faith based and community organizations; including educators, staff, parents and students; bringing back integrity and trust, with full accountability, communication and transparency to benefit all of our children.

I want to be your representative on the Winston-Salem Forsyth County School Board to help move this vision forward.

I am Chenita Barber Johnson and I thank you for your vote.

Thank you again,
Always for Better Education.

Chenita Barber Johnson
