GIVE THANKS

With a grateful heart...

*In every thing give thanks.  
We can always find something  
to be thankful for, and there may  
be reasons why we ought to be  
thankful for even those dispen-  
sations which appear dark and  
frowning. Share your story with the  
AC Phoenix family of readers. You'll  
never know who needs to read it.  
Then, make it more special, purchase  
an ad in our 'Thankful' edition.*
