

JESTER

How are a policeman and a broken bottom chair alike?
They both pinch you if you don't park right!

Girl (to one-armed driver): For goodness sake—use both hands.
Driver: Can't, gotta drive with one.

Dentist: I'm sorry but I'm out of gas.
Girl in chair: Good grief! Do dentists pull that old stuff too?

It's like this in the theatrical business. You compliment the star and he'll complimentary you.

First Drunk—Wow, I'm just as drunk as can be and I'm a hard boiled egg.
Second Drunk—S'too bad Columbus isn't here. He'd stand you up.

She—How do Freshmen keep those dinky little caps on?
He—Vacuum pressure.

Stern school teacher—What is a relief map?
School boy—My girl's face after looking at yours all day.

Fraternity man's motto—If the shoe fits—borrow it!

"Well, well, are you in college for good, now?"
"No, I'm in a sorority."

"Love sends a little gift of noses," said the nurse as she presented Sam Levy to his new born triplets.

"I've no use for that fellow, Bob Rogers."
"What's the matter with him."
"He's the sort of chap that pats you on the back before your face, and hits you in the eye behind your back."

Marriage is an institute
Marriage is love
Love is blind
Therefore marriage is an institute for the blind.

Ann—They have compelled him to put nothing but the truth in his ads.
Mildred—Gee, that will take the wind out of his sails.

Student Body Enjoys Entertainment

(Continued from page two)

The Dramatic Club gave a very unusual skit and brought forth many gales of laughter from the house. Surely such triangular love affairs should be put into comedy more often and then there'd be less of them.

After the singing of the Alma Mater by the Glee Club, the boys were invited over to a reception in Burwell Hall, given by the Junior Class.

The Juniors have disclosed the fact that they cleared quite a bit, so Seniors, your Junior-Senior does not look so far off!

We Think We Have Helped

The number of married males has increased in the United States in the past 10 years by 4,447,843 according to the Census Bureau. The number of married females has increased by 4,851,823. No, we can't explain the discrepancy in the figures, but the point we want to make is this: Women have less fear of household work than they had ten years ago. Why not, in these days of Electric Ranges, Refrigerators, Grills, Irons and Dishwashers . . . innumerable other appliances that take the curse of drudgery off the housewife.

Essay Contest for Undergraduates

In commemoration of the 100th anniversary of the death of Goethe the Carl Schurz Memorial Foundation, Inc., Philadelphia, Pa., announces a national essay contest, which is open to all undergraduates at this college. Liberal cash prizes, amounting to almost \$1,000 are announced. The first prize for an English essay is \$200 and a similar first prize is offered for the best essay written in German. Essays must be submitted to the headquarters of the Foundation in Philadelphia not later than December 15, 1932, and are limited to 5,000 words.
