**Our New Government**

We are starting this new school year with a new form of government. It has already proved its efficiency to us by the way it has handled orientation of the Freshmen and other important functions that usher in the new school year. Although government has been separated under the heads of Day Students and Boarders; yet we feel that the two are more united than ever under the supreme Student Body Government head. The Student Body is especially to be commended for its co-operation with the respective officers of this government. Heretofore, the Day Students and Boarders have worked separately, but now the two have become as one; and in doing so, have added to the strength of the Student Body as a whole. As individuals we are responsible for upholding our government and seeing that the desire to do likewise is instilled in all new members. This is a government that has arisen from the students, and it rests with the students to make it a success.

The Junior and Sophomore classes have recently elected class officers to replace those officers who did not return to school this fall. In the Junior class the following girls were elected: President, Ruth Grover; vice-president, Vivian Hilton; secretary, Elizabeth Cassells; treasurer, Mamie Hunter. Margaret Trobaugh was elected president of the Sophomore class.

**Budget Fee Due**

Time to pay the Budget Fee has arrived—and also time to show that our much-talked-of school spirit will pull us through a 100% payment of this Fee. Now is the time to prove that the student can co-operate to the extent of making this campaign an overwhelming success. The Budget Fee procures for us many valuable advantages such as memberships to certain important organizations and subscription to school publications. The money paid for the Budget Fee not only procures for us these benefits, but it makes them possible. Without this money these organizations and publications would be impossible, and without them, our school would fall far below those standards which are set up for the best colleges. We have placed our standards high and we intend to keep them so, even if we have to labor and at times sacrifice a little in order to uphold our intentions. But it is worth it! It is worth the struggle to succeed and to be able to say that we are proud of what we have done.

**Day Students Hold Second Meeting October 9**

(Continued from Front Page)

This House is for students as a whole and no particular clique or sub-organization shall have any right to preempt the use of it from other members of the Day Students' Organization.

Day Students were urged to attend the Students' Christian Association meetings and the Day Students' Prayer Meetings.

Plans were made to sponsor several socials during the year.

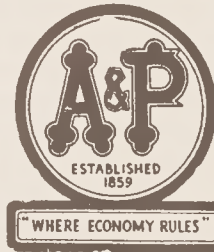

Final business was taken up with the election of cheer leaders. Eleanor Carr was elected head cheer leader and May Cook as her assistant. Other nominees were Harriet Thompson and Lois Meacham.

A social was held in Pi Hall following the business meeting.

**OPEN FORUM**

The Open Forum which is making its initial appearance in the first edition of this year's *Queens Blues* has been added to afford the members of the student body a direct means of expression. Heretofore the ideas and opinions of the students have been indirectly voiced through this publication. Our editorial policy in respect to this column is to publish articles of a constructive nature that concern topics of vital and immediate interest to the college community. The success of this venture depends entirely upon the co-operation and correct attitude of the students.—EDITOR.

That  
**WEBSTER'S COLLEGIATE**  
Is the Best  
Abridged Dictionary

"I can hardly believe I shall ever apply to it any test it will not creditably sustain. It is an amazing product of accurate and usable scholarship," said H. L. Seaver, Massachusetts Institute of Technology. Presidents and Department Heads of leading Universities agree with this opinion. Webster's Collegiate is best because it is based on the "Supreme Authority"—Webster's New International Dictionary. 105,000 entries including hundreds of new words, with definitions, spellings, and correct use; a dictionary of Biography; a Gazetteer; rules of punctuation; use of capitals, abbreviations, etc.; a dictionary of foreign words and phrases. Many other features of practical value. 1,268 pages. 1,700 illustrations. See It At Your College Bookstore or Write for Information to the Publishers.
