

ORIENTATION PROGRAM IS SUCCESS AT QUEENS-CHICORA

Freshmen Enjoyed Entertainment During Orientation Week

Tuesday, September 8, was a big day in the life of a large number of freshmen; for they arrived at Queens-Chicora to begin a new career. The new girls and members of the different families who accompanied them were met and welcomed to the campus by the welcoming committee, Eleanor Clayton, Carolyn Wearn, Jane Ellen Taylor, Eleanor Carr, Jimmy Waggoner, Elsie Setzer, Virginia Taylor, Helen West, Martha Petteway, Ruth Morrison, Helen Jordan, Anne Murray Long, and Jane Wiley. Tuesday night Frances Smith, president of the boarders, and Jean Orr, president of the student body, took the freshmen to see "Anthony Adverse" at the Broadway Theatre.

Wednesday, September 9, at 9:00 A. M., the freshmen took their placement tests in psychology and English. Wednesday night there was a party for the freshmen at the "Y" Hut.

Thursday morning Mrs. Smith, Dean of Women, talked to the freshmen. Then fifteen or more upper-classmen held hand-book classes for the new girls. Thursday afternoon the freshmen were taken to the new stadium to hear President Roosevelt.

Friday morning the freshmen had their first regular chapel meeting. A student activity program was given. First everyone stood and sang the Alma Mater. Then Jean Orr, president of the student body, introduced Queens-Chicora to the new girls. Then Miss Ruth Grover talked to the girls about the importance of all them entering into some part of student activities. Following her talk Elsie Setzer, president of Student Christian Association, Adeline Kilgore, president of Athletic Association, Margaret Calder, president of Literary Society, Mary Wilson, president of Alpha Kappa Gamma, Helen West, president of Sigma Mu, and Martha Petteway, president of Pan Hellenic, spoke about the different organizations they represented. Then Dr. Althea Kratz, former Dean of Instruction, talked on "Sorority Ideals". After chapel hand-book study classes were held.

Friday night there was a formal reception in Burwell Hall to which the entire student body was invited.

Saturday morning, September 12, were the first classes of the semester. Rounding out the week of activity was a progressive sorority tea Saturday afternoon. And the new school year was well on its way.

Greeting To Freshmen by Dean of Women

To you we look for the future ideals of Queens-Chicora College. We hope by your presence here that our social and intellectual atmosphere will be greatly benefited. Day by day, form such habits that will make good character, for this is your priceless possession.

Let us be friendly with unaffected friendliness. Create customs that will compliment our campus. Find joy in living and sharing, that more joy may be yours. Hold high the torch of faith, hope and love, and the greatest of these is love.

Delta Kappa Epsilon fraternity will receive the bulk of the estate of James Anderson Hawes, deceased New York lawyer.

Alpha Kappa Gamma Holds Fall Tapping Service

Honorary Fraternity Issue Bids To Eight Students

On Wednesday, September 23, Alpha Kappa Gamma, National leadership fraternity, held its fall tapping service. The impressive ceremony took place in the college chapel with all members on the rostrum dressed in white. Dr. Frazer read the traditional scripture, Romans 12. The president, Mary Wilson, gave briefly the meaning of Alpha Kappa Gamma and requirements for membership, after which the active members tapped the following girls: Adeline Kilgore, Eleanor Carr, Martha Petteway, Jimmie Wagoner, Frances Smith, Jo Hackney, Nancy McIver, and Mary Currie. Dr. Dorisse Howe was made an honorary member.

Active members of the fraternity are: Mary Wilson, president; Frances Query, secretary and treasurer; Thorburn Lillard, Loise Thompson, Elsie Setzer, and Jean Orr. Honorary members are Dr. Ethel M. Abernathy and Miss Alma T. Edwards.

Faculty Members Give Talks

Dr. Delano and Dr. Graham Give Talks On Visit To Spain and British Isles

On Wednesday morning, September 7th, Dr. Lucille K. Delano, head of the Department of Modern Languages, gave a most interesting lecture. Dr. Delano chose as her topic "Political Conditions in Present Day Spain." Having recently spent three months in Spain and Paris, the lecturer was quite capable of presenting her subject. Dr. Delano stated that the American view of the Spanish situation was somewhat erroneous. We are inclined to favor the so-called Loyalist while it is really they who are advocating Communism and who are being backed by the communists of Russia.

The second in the series of faculty lectures was given on Thursday, September 24th, by Dr. Minnie A. Graham. Dr. Graham spoke on "Social Conditions of England." Dr. Graham visited England, Scotland, and Wales during the summer and spent quite a bit of time at the British Museum. One of the most interesting features of the Museum was the famous Rosetti Stone. Another point of interest was the International Hall for University Women. The hall was built in 1640 and has since that time been visited by many personages of prominence.

LOST & FOUND BUREAU

The Student Government is this year arranging a definite department for lost and found articles, under the direction of Frances Smith.

Students are requested to report articles lost or found to Frances Smith, who will keep a list posted on the Student Government Bulletin Board in Burwell Hall.

If an article found is not claimed by the owner within two weeks the Student Government will turn that

DR. GODDARD NEW DEAN OF INSTRUCTION

Dr. J. M. Goddard Takes Place of Dr. Althea Kratz

Studied Under Eminent Psychologists—Did Valuable Research Work

Professor J. M. Goddard is the new Dean of Instruction at Queens-Chicora College, taking the place of Dr. Althea Kratz who has gone to the University of Pennsylvania.

Professor Goddard has recently been teaching at Duke University. He has also taught at Parks College and at Lake Junaluska. He was born in Kankakee, Illinois. His undergraduate work was done at Parks College in Missouri. He attended the University of Chicago during the summer and Duke University during the school year for graduate work. He studied under well-known psychologists: Judd, Spearman, McDougall, and Ellwood.

Dr. Goddard specialized in research into the problems of failures in college, which led to an interest in the mental hygiene of college life. He teaches various courses in the Department of Education.

Professor and Mrs. Goddard, who was Miss Aura Holton of Durham, live now at 224 Cottage Place in Charlotte.

Upper Classes Make Plans For Fall Athletics

The three upper classes have met and begun to make plans for their fall activities. However, Helen Cunnock, Lillian Smith, and Jimmie Wagoner, Presidents of the Sophomore, Junior, and Senior classes respectively, have made no announcement of definite plans. The Freshman class has not yet elected their chairman, but they certainly don't lack class spirit. They already have a class song. The senior class is selling popsicles, with Isabel Anderson as manager. Dorothy Senn is chairman of Stunt Night; Josephine McDonald is chairman of the Entertainment Committee of the Junior class, and will announce soon the entertainment which is to be early in the fall. Jane Wiley is stunt night chairman. The Sophomore class, with Frances M. O'Hair as chairman, has the all-important occasion of Rat Week to arrange. They have not yet elected their stunt night or entertainment chairman.

Yale, Harvard, University of Wisconsin, and University of Buffalo men have leading positions on the new GOP brain trust.

NATIONAL SORORITIES PLEDGE SIXTY-SEVEN NEW MEMBERS

Q-C. Girls Attend Conventions of Three Sororities

Chi Omega, Phi Mu, Alpha Delta Pi Represented

Three of the six sororities on Queens-Chicora campus were represented at National conventions this summer.

Marjorie Timms and Isabel Turner hold the record for long distance traveling. They represented the local chapter of Alpha Delta Pi at their national convention held in Del Monte, California, June 28 to July 4. Following the convention they stopped over in San Francisco, Los Angeles and Hollywood.

Theta Gamma chapter of Chi Omega was well represented at the national convention of Chi Omega held at White Sulphur Springs, W. Va., June 19 to 24. Those attending were Jean Kent Early, official delegates, Elizabeth Maynard, Martha Ware Pitts, Annie Laurie McLenon, Jean Stough, and Mary Currie. After the convention the local delegates spent a week in Washington, D. C.

Five members of the local chapter of Phi Mu attended the national Phi Mu convention held in New York City (in June). Those attending were Martha Petteway, Martha Johnston, V. V. Taylor, Mary Phillips and Josephine Hackney.

CHI OMEGA

Eleanor Alexander, Susan Harrill, Marguerite Buffum, Iibernia Friend, Nancy Hovis, Camille Hunter, Madeline Lotterhos, Eleanor Robinson, Kay Spaeth, Virginia Smith, Sara Walker.

Indirect Lamps Are Installed In The Dormitories

Dr. Frazer Provides Latest Thing In Lighting Facilities

Dr. Frazer has said that the new indirect lamps will solve all our lighting problems that Queens-Chicora has ever had. These lights are the very latest things in the scientific development of illumination. They will cause no harsh glare, yet their brilliance will penetrate the extreme corners. No other lamps will be necessary or permitted in the rooms.

The new lamps were installed this past week. The students appreciate the excellent lighting and have done away with their old lamps.

One evening a prominent society woman stepped up to a Chinese who had been lecturing on his native country, and said, "I hear that you Chinese eat rats." He looked at her for a moment, then replied, "Madam, I hear that you Americans eat hot dogs."

In two years Ohio State's Junior College of the Air has enrolled more than 7,000 students in 43 courses.
