

Chessy Chats

We are not raising a protest against segregated educational institutions, but we do think that an occasional male on the campus might possibly be an incentive toward making us appearance conscious. When that romantic Mexican Senor paid us a visit in chapel the other day, we saw five girls sneaking their glasses off and one bold Freshman actually pulled out a compact.

We don't believe Carmalt's little sister talks as much as Carmalt, do you?

Gunnie, is it serious? We mean about you and the old gentleman with that good looking car.

Your snooping reporter answered the phone the other afternoon about 5:30 and a drawing darky voice said, "Will yo' please tell Miss Pidge, Mister Sonny is on his way and comin' fast."

(Come he did, and right fast too.)

Grace Clark and Sarah Walker proved more of an attraction down at the carnival the other night than did the Cake Walk or the hot dogs.

Correction: Your writer of this column regrets literally burying Green Gables in last issue. It's still there, girls, hot dogs and all.

Martha Johnson seemed to be taking-off last week-end with that blue velvet number . . . Incidentally, Martha, how is Bill?

Have you heard the story about the two Freshmen?

If not . . . get in the nearest bull session available.

What little Soph is so living on glorious memories of that week-end at Annapolis that she won't give local talent a chance?

Come on, Jennie Ann, everybody can't wear a uniform and be president of the Junior class.

We wonder if all these old flames are still flickering . . . Harriet and Johnny . . . Lil' Bit and Lake . . . Currie and "Pink Hill" . . . Helen and "Little Store" Charlie . . . Jimmie and Pete . . . Summitt and Red . . . Ashley (once Doodle) and Fred . . . Sadler and Carroll . . . Caroline and Charlie, and Calder and Pearson?

Our personal nomination for the most popular male . . . The W. and L. man who corresponds with four Queens-Chicorans.

Girls, Barbara saw a man . . . right in her room, too . . . She declares it's so, but we think it was a nightmare—she had after eating one of those hot dogs out at the fair.

We find that one certain girl, having initials of L.S., being quite well-known in Davidson by . . . but ????????

Council Formals

Student Council has made plans to serve after-dinner coffee on the third Wednesday of every month, inviting in turn all members of the faculty and student body. The first of these after-dinner coffees will be given on Wednesday, October 28. Formal invitations will be issued to two faculty members and two students each time, and three members of student council will officiate as hostesses.

Three social gatherings will be held in Burwell Hall and all dining room guests will be invited to attend on the first Wednesday night. At other times Student Council will serve coffee in the Sorority houses.

Pan-Hellenic Teas

Last year the teas given by Dr. Kratz proved so successful that it has been decided that the custom shall be continued this year.

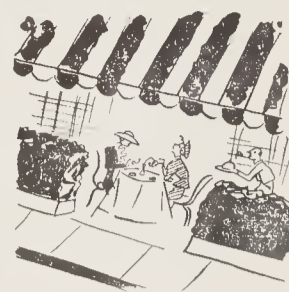

Pan-Hellenic Council is joining Mrs. Agnew in serving as hostesses to a series of teas to be given once a month. No definite plans have been made as to the exact dates of the teas throughout the year, or who the guest list will include. It has been announced, however, that there will be two teas before Christmas, November 23 and 24.

These first two teas will be given for the day students and their mothers and members of the faculty. Those after Christmas will be at regular dates and will be for the boarding students, friends from the city, and the faculty.

These teas are outstanding social events of the year and we hope that in time, they may become a tradition on our campus.

S.C.A. CABINET HAS SOCIAL

The Cabinet of the Student Christian Association of Queens-Chicora held its annual retreat on Tuesday, October 19, at the farm of Miss Catherine Marshall.

After a very enjoyable weiner roast the members gathered around a huge bonfire for a discussion of the problems and plans for the year, led by Miss Elsie Setzer, president of the organization. Dr. Howe, faculty advisor, opened the meeting with prayer and Miss Setzer started the discussion by asking each individual cabinet member what her duty was as a cabinet member.

Some social service work that S.C.A. could carry out as this year's work was discussed and also how to make this work so attractive that each member of the student body would want to take an active part in the Christian life on the campus.

Members of Cabinet attending the retreat were: Lois Hodges, Helen Jordan, Eleanor Carr, Mildred Lowrance, Catherine Marshall, Mary McRae, Frances Query, Elsie Setzer, Barbara Shatzer, Lillian Smith, Martha Stewart, Jane Ellen Taylor, and Dr. Howe.

CAMPUS COMMENTS

(Continued from page two) given. Miss Wharton gave the initial musical this past Sunday. Her program was thoroughly enjoyed. In such a beautiful way her music lifted us above our everyday routine. These musicals will mean so much to the students, guests, and friends in the city. I hope both of you can come spend some Sunday with me soon and have an opportunity to hear one of our musicales.

Now—just one more thing. Hurry and come up to see me some Sunday very soon. I know I have the grandest mother and the grandest dad in the world!

My dearest love to you both,
Your devoted Peggy.
