Alpha Gams Are Second In Averages

After a lapse of one year, Phi Mu sorority will again receive the Pan-Hellenic scholarship cup, according to the sorority averages posted by the dean's office. In second place is Alpha Gamma Delta sorority, which won the cup in 1943, thereby transferring the cup from the Phi Mu's, who had won it in 1942, to the Alpha Gamma Delta house.

The total averages for the five national sororities are as follows:
Phi Mu—1.625.
Alpha Gamma Delta—1.549.
Alpha Delta Pi—1.402.
Chi Omega—1.277.
Kappa Delta—1.222.

The scholarship cup, which was purchased several years ago by Pan-Hellenic Council, is awarded each year to the sorority having the highest scholastic average for two consecutive semesters. The cup will be presented to Phi Mu sorority at a special chapel service on May 16, at which time the leadership cup will also be awarded.

Mady Christians Coming Here On March 15

On March 15 Queens College will present Mady Christians in the third program of its Concert and Lecture series. Miss Christians is the star who played the part of Sarah Mueller in the Broadway play, "Watch On The Rhine."
