No. 7

WAYNE BULLOCK

April's Student Is Wayne Bullock

Wayne Bullock has been selected as Webb's April Student of the Month. Although regarded as one of our quieter students, Wayne's actions during basketball season proved his agility on the court.

Wayne has played Varsity Basketball for three years and served as a co-captain of the team this year. He has also played Varsity Baseball.

As a sophomore, Wayne served as an officer of his class. Even while keeping so active, he has managed to keep a good scholastic average.

Congratulations, Wayne, and we hope you keep up the good work at Fayetteville State next year.

Final Programs Given In Latin

Latin clubs gave their last club programs in May. The freshman put on a Roman wedding, and the sophomores presented "This is Your Life, Mark Anthony."

There were three casts of freshmen as there are three Latin I clubs. The brides and grooms were Phyllis Cash, Donna Bryan, and Sheila Shearin; Keith Parker, "Butch" Shotwell, and Cliff Wheeler.

In the sophomore skit Eddie Johnson was Mark Anthony. Also, Wanda Currin wrote the original skit in the form of a last will and testament.

Vacation time will still be Latin days for at least sixteen "Webb Romans" as they prepare to attend the National JCL Convention in Athens, Ohio in August.

The convention tour, including thirteen days, starts July 26 and ends August 2. There will be sight-seeing in New York City, Montreal (and Expo), Ottawa, and Detroit.

Cost of the tour and convention is \$215.50 apiece, in addition to spending money which will vary with the individual. The Latin Club is giving each of the sixteen students \$20.00 each which is coming from the slave sale at the Roman banquet.

All who go will participate in two or more contests, school and/or athletic.

The lucky sixteen who will attend are as follows: Bonnie Bromberg, Donna Bryan, Cora Sue Currin, Cynthia Currin, Marshal Hill, Rebecca Ison, Martha Pruitt, Holt Shotwell, Nan Stovall, Susan Tilley, Paige Timberlake, Johnny Webb, and Cushen Winston, freshmen; Karen Overton and Mary Thomas, sophomores.

Mike Peters Heads 1970-'71 Marshals

One Monday not long ago, during sixth period, the announcement of the new marshals was made. Expressions of disbelief, relief, and joy could be seen on the faces of the following: Mike Peters, Chief; Sheila Arrington; Cathy Briley; Sally Elliot; Cathy Farabow; Andy Howard; Ralph Puckett; Gary Royster; Anna Tarry; Becky Webb; and Merlin Young. These juniors, the top eleven in scholastic achievement, will serve as ushers at graduation and other school assemblies the rest of this year and next year. They will also be allowed to attend the senior party this year.

Sheila Arrington Becomes NHS Pres.

New members of the National Honor Society attended their first meeting at the home of their advisor, Mrs. Joy Averett, Thursday night, May 7. New officers were elected. They are Sheila Arrington, president; Ralph Puckett, vice-president; "Charlie" Sloan, secretary; Teresa Freeman, treasurer. Kathy Wood volunteered to be the club's historian. The social chairman is Anna Tarry. After discussion of activities planned for this year, refreshments were served. New members left the meeting feeling that the 1970-71 NHS is indeed going to be an active society.

Scholarships Won By Class Of '70

Webb is certainly proud of its Class of '70. Many seniors have received scholarships from the various schools of their choice.

Some of those who have been awarded scholarships are as follows: Frank Heilema has received the Aubrey Lee Brooks Scholarship and plans to use it at N. C. State University; Al Williams and Tommy Hobgood also have received scholarships at N. C. State; Harry Dixon received a full scholarship for study at Duke University; Julius Johnson has been awarded a scholarship from the R.O.T.C. program; and Bernard McNeil has received a full grant for study at N. C. Central University.

Though the boys have done extremely well, they have not outdone our girls. Linda Silver has received a scholarship from the University of N. C. at Chapel Hill. Wanda Dickerson, Bonnie Wilkins, and Joan Roberson have received scholarships from East Carolina University. Glenda Currin and Kitty Lee both received scholarships from Meredith College. Along with these are others which will be awarded later. So, it looks as if the Class of '71 will have a lot to live up to.

Library Clubbers Attend Convention

Webb's fourteen Library Club members attended the State Convention on April 17. The members left school that morning and went to the Durham Hotel-Motel. They attended library associational meetings that morning. In the afternoon they went to Durham High School where Susan Hughes, Paula Daniel, Martha Daniel, Robbie Price, Marjorie Cash, Diane Clayton, Carolyn Slaughter, and Cindy Howard presented a skit called "Librarian After Dark."

That night they were guests at a banquet held at the Durham Civic Center. Later they were free to shop, attend movies or a dance for which a combo was provided. The members returned home at approximately midnight.

New Art Prints Presented At Webb

Susan Hughes, '69-70 president of the Library Club, presented in behalf of the club, a bust of Asklepius, "God of Healing," and eleven mounted prints to Webb's Art Department.

The Library Club closed its year with a picnic honoring graduates and brides. It was held at Butner Lake May 10.

Old West Comes To Life At Jr.-Sr.

For months, one thought has been uppermost in the minds of upperclassmen—the Junior-Senior — that magical last fling before our Seniors are gone forever. To Juniors the Prom means work — decorations, food, programs, invitations, entertainment—scores of plans all aimed at making the 1970 Junior-Senior the greatest ever.

On May 23, all of our efforts were rewarded. Juniors and Seniors flocked to Webb school and entered into a land of the old West. Webb cafeteria was no more. In its place were reminders of a cow-punchin', riproarin', horse-stealin' age of the past. Refreshments coordinated with the Western theme. A short program depicting Can-Can dancers and gun-slingers was enjoyed by all. Music was provided by the well-known Catalinas.

Special thanks must go to Mr. Tillotson, our Junior class advisor, for making this great dance what it was. We are also grateful to many other teachers and students who contributed their valuable time to the enormous job involved. I think we can safely say that this was THE GREATEST Junior-Senior Webb has ever seen.

NANCY FINCH

Nancy Named For Month Of May

Filling the spot of Student of the Month for May is none other than our zany, but lovable Nancy Finch.

Nancy has been very active in many of Webb's various clubs during her four years of high school. Among them are the French Club, Science Club, the F. T. A., the F. H. A., and the Monogram and Pep Clubs. She has contributed to both the Wildcat and the Spectator.

Very important in our sports division, Nancy has served as a Varsity Cheerleader because of her un-failing spirit, ever cheering them on.

The Class of '70 has, for four years, chosen Nancy as a representative in the Homecoming court. Congratulations, Nancy, and thanks just being you!

1969-'70 Athletes Receive Honors

"To whoever much is given, much is also required." This quote sums up very well what a TRUE athlete really is. The Seventh Annual Athletic Banquet was held on May 6, 1970, at 7 o'clock in the Webb Cafetorium. For those of you who do not know what an athletic banquet is, it is the time at which the outstanding athletes are rewarded for their abilities and achievements. The cafetorium was decorated by the Varsity cheerleaders. In each corner there was athletic equipment and a picture of a boy in his corresponding attire representing each particular sport. Behind the main table there was a Wildcat with streamers. The entire cafetorium was decorated with signs from the previous year.

The meal which was prepared by Mrs. Hart and her staff was so delicious that many felt it was the best of any previously served. The guest speaker, Coach Mike McGhee, head football coach at East Carolina University, was excellent. After his address, Coach Gravley introduced the football team, presenting each boy with an award of participation. This was given to each boy that had not played enough to letter. Then the Trophy for the Most Valuable player was presented to Harry Dixon. He also received the award for the most interested in football. The Gold Helmet award was presented to Ernie Warren and Bob Bryan. This was the first time two boys had qualified to receive this. Harry Dixon then presented Coach Gravley with a plaque for his help and friendship throughout his years at Webb.

Next, Mr. Billy Bunn, president of the Booster Club, introduced Coach Holleman, who then commented on his excellent season. Coach Holleman awarded the Most Valuable Player Award to Bernard McNeil, and the Most Improved Player to Wayne Bullock.

Coach Wood then introduced the baseball team, along with the assistant coach, Mr. Mosley. The awards for this sport will be given at Awards Day, as the season had not been completed at that time.

Recognition of the Golf Team was then made by their coach, Bob Hill. Johnny Webb received the Golf Trophy.

Coach Marlin Tate, the Track coach, as well as J. V. coach, was then recognized to introduce his team. The Track trophy was presented to Thomas Moore.

Mrs. Jim Gravley, advisor for the Varsity Cheerleaders, was then recognized. Each cheerleader was recognized. The Booster Club awarded each girl a trophy. Debra Fox then presented Mrs. Gravley a silver plate for her outstanding service to this group.

The outstanding Pep Club member award was given to Robbie Watson.

One of the most coveted awards is the Sportsmanship Award. This year it was awarded to Al Williams. The Coaches award, selected by the coaches for a boy who plays at least two sports, was given to Al also.

A new award, the Scholastic Award is one in which the athlete who participated in two sports and has the highest average of all athletes, was given to Merlin Young.

The following officers for 1970-1971 are: President, A. D. Dillehay; Vice President is undecided; Secretary, Mrs. Joe Lindsay; and Treasurer, Mrs. Willie Young. Mr. Al King and Mr. Ronald Bullock were also named as directors on the board.

The J. V. basketball, baseball players, and cheerleaders were all recognized and given certificates of participation.
