Sports Column

(by Charles West)

The Senior football players of Oxford high played their last game for their Alma Mater, November 7 against Bethel Hill, when the 1958 football season ended. This was Coach John Parham's first year as head coach after serving as assistant coach two years.

The 1958 season was not so good as was expected, but the team did play some very good football and especially against the stronger teams. The final scores never gave a true picture of the team's worth (and we're not under estimating our opponents.)

Oxford High School is especially proud of Wilbur Longmire for making all-conference in the 1958-'59 football season.

As the football season bowed out, the basketball season was ushered in. Cage practice officially started Nov. 10, with Coach Al Habit heading up the coaching duties.

Co-Captains this year are Edwin Knott and Charles Stovall. Both boys are seniors, and they have played very good basketball for Oxford High in previous years.

This year five lettermen returning are Edwin Knott, Charles Stovall, David Ford, Charles Belcher, and Billy Adcock. Other members are Wilbur Longmire, Billy Frazier, Harper Ruff, Billy Daniel, William Lytton, Bobby Finch, Ray Williford, and David Norris.

Coach Habit and the basketball team are looking forward to a very successful year. With plenty of school spirit and support at the games, we feel sure the basketball team will have plenty of success. Just as a reminder, let's all attend all the games we can and give the team support through the entire basketball season.

As author of this column I would like to join the student body in wishing the members of the Oxford High basketball team the best of luck throughout the 1958-'59 season.
