

CLASS NEWS—Continued

6R

Mrs. Bessie Redding, Teacher

We realize the need for a better understanding of the importance of good nutrition. We have chosen for our health unit "Foods and What They Do for You." With Dr. Holliday, the state dentist, in our school, we are now studying the importance of good foods to good teeth.

Friends from the community are always welcome visitors in our classroom. We were certainly glad to welcome Dr. Joseph Colson, a fine young physician, Rev. J. W. Gwyn, recently appointed pastor to St. Peter's Methodist Church, Mrs. Lucy Hamme, Mrs. Lindell Dunn and Mrs. Mary Satterfield, three of our parents.

While our teacher, Mrs. Redding, attended the North Carolina conference of Colored Parents and Teachers at Kinston, N. C., Mrs. Erma Rogers substituted and we were happy to welcome her.

The Honor Roll for this period reports the following 6R pupils listed:

Ethel Jeffers, Jessie Mac Banks, Charles Daniel, and Donnell Parker.
