

Fall Highlights

Greetings, Old Friends: Welcome, New Friends! Again we are bringing to you our log of events and happenings at Orange Street School.

On September 6 we opened with the largest enrollment ever, after a pleasant summer holiday. We were overjoyed to have four new members join our faculty in persons of Mrs. Revelle, as Music Supervisor, Miss Cynthia Harris, a grammar grade teacher, Miss Welma Hicks, a primary teacher, and Miss Lucille Fields, a grammar grade teacher. You will read more about them in this issue.

From the beginning, our curriculum has been enriched by two educational movies presented to the student body.

The pupils were held spellbound on September 28, by Chan Loo the magician. The pupils readily admitted that he was so proficient with his magic that they could not figure him out at all.

Our school patrol made our hearts swell with pride in the annual Jubilee, held in Oxford. They were further enhanced by the completeness of their uniforms and their perfect synchronization of steps as they marched down Main Street.

The pupils and faculty members were delighted to have Mrs. Ruth Lawrence Woodson, State Supervisor, visit us during the week of October 4. We are always happy to have Mrs. Woodson visit and share with us her experiences.

Our hats are off to Mrs. B. P. Tyler and Mrs. C. S. Stegall. Mrs. Tyler received her M. A. from New York University while Mrs. Stegall received her M. A. from Columbia University.

Orange Street is proud of the part it played in the success of the Boy Scout Drive. Our own principal, Mr. J. H. Lucas, served as chairman of the entire Negro division. Granville County proved its capability at the Kick-Off dinner held in the Orange Street cafeteria, which was well attended.

Through the courtesy of the Eastern Air Line Co. headed by our superintendent, Mr. C. W. Duggins, the principals, teachers and their husbands were given a rare treat. An airplane ride, covering Durham, Chapel Hill, Raleigh and other nearby cities. Everyone appreciated and enjoyed this great occasion, because it was the first experience of its kind for some of them.

Our school was again honored by the department of Health Education at the University of North Carolina by its selection as one of the representative schools to be observed. This group spent October 12 viewing our instruction and school plant.

The Orange Street family wishes to thank the Board of Education for the renovation and interior paint job which was done throughout our school while we were away.

A few weeks ago a work table with over hanging pot holders and a 40 qt. pressure cooker were added to the other fine equipment in our lunchroom. This makes everything convenient and ultra modern.

How To Make Orange Street School The Best

This is the way to make Orange Street School best.

Make it better than all the rest. Do the things you should each day

And cooperate in every way. When you walk through the halls to lunch, Don't give the children you meet a punch.

Keep your voices soft and low, Don't walk too fast, nor yet, too slow.

Keep the lavatories spick and span Put paper and trash in the waste can.

Don't put writing on the newly painted walls. That isn't beautiful at all.

On the stairway keep to the right.

Don't run when you see a friend in sight. Just keep moving but not too fast.

Don't be the first and don't be the last.

If you do right, you will pass the test.

And you will surely make Orange Street School the best!!

Eva Owens

At School Again

We are all very happy to have Mrs. B. L. Parker our school secretary back at school again. Mrs. Parker was out two weeks because of illness. Everyone was all smiles when she came in a few days ago. She looks fine and we are happy to welcome her back.

5C What We Are Doing

In our room we have done some interesting things since school started. We have drawn pictures to go with our unit. Our unit is "Our Country, People, Places, and Things". Our centers of interest are, Health and Safety, Science, Art, Music and Literature.

We are making posters and scrap books to develop our unit and to make our centers of interest grow.

The Rhythm Band

Plans are being made to continue the good work done by the rhythm band last term.

Boys and girls get out your costumes and batons get ready for the big events.

Mrs. B. P. Tyler

Grade 1CS

C. S. Stegall, Teacher

We are happy to be in school. We are having fun. We have 22 boys in our room. They are; Theodore Bandom, Larry Bridges, Clark Chandler, Carl Chavis, Frederick Cooper, Robert Cooper, Charlie Cozart, Thomas Cozart, Jimmie Cozart, George Daye, Theodore Foster, McCoy Fields, Wayne Hamme, James Hicks, James Lewis, Nathan Pettiford, Tai Pulliam, Alexander Reed, Robert Redding, Lonnie Thorpe, Haywood Webb and Alexander Williams.

We have 18 girls in our room. They are; Adline Allen, Esther Barnes, Patricia Bass, Doris Crews, Juanita Crisp, Lallie Duncan, Gloria Eaton, Shirley Evans, Brenda Fields, Yvonne Gregory, Hilda Harris, Brenda Herndon, Peggie Hunt, Shirley Lewis, Mary Morgan, Barbara Spencer, Marion White and Isabelle Williams.

Come to see us sometimes in room 17.

Frederick Cooper, Reporter

5C Science

We are enjoying our science lessons in grade 5 C. We are learning lots about butterflies and moths. We have collected caterpillars and fixed a winter home for them. In the spring we expect to see them come out as butterflies.

We are gathering grasshoppers and butterflies for display.

	Wilson, Cora
	Yancey, Nannie
	Lee

We have started our work and with cooperation I think it will be a success.

The rhythm band is being organized very soon under the direction of Mrs. Bessie Tyler.

We are planning to combine both groups in a musical work and I do hope we will accomplish our task.
