

## FOEMS FROM PAPA - Wahab Edwards

She was a gorgeous creature,  
He was a doting male.  
He admired her figure in English  
and wanted to prove it in Braille!

Jack and Jill fell down the hill  
A stunt that's mighty risky.  
If water made them act like that  
By gosh, I'll stick to whiskey!

Pvt.: "An M.P. just hung himself, sir!"      With graceful feet, a maiden sweet  
Sgt: "Holy Smokes! Have you cut him      Was tripping the light fantastic  
         down?"      When she suddenly tore  
Pvt.: "No, sir, he wasn't dead yet."      For the dressing room door--  
              You can't trust this wartime  
              elastic.

The landlord was quizzing the prospective tenant.  
"You know," he said, "we keep it very quiet and  
orderly here. Do you have any children?"  
"No", answered the prospective tenant.  
"A piano, radio, or victrola?"  
"No", answered the prospective tenant.  
"Do you play any musical instruments? Do you  
have a dog, cat, or parrot?"  
"No, but my fountain pen scratches like hell some-  
times."

"Now," she asked, "is there any man in the audience  
who would let his wife be slandered and say nothing?  
If so, stand up.  
A meek little man rose to his feet.  
The lecturer glared at him. "Do you mean to say you  
would let your wife be slandered and say nothing?" she cried.  
"Oh, I'm sorry," he apologized. "I thought you said slaughtered."
