

VISITORS FROM THE UNITED STATES ARMED FORCES

PFC. MELVIN WOOLARD: After more than one long year in Italy and France, Melvin has returned to the States. He stated that Italy offered tough battle terrain. Southern France was described as a beautiful country with beautiful girls. Pfc. Woolard has been injured two times. He was first injured during the Anzio Beach invasion. He recuperated in ample time to participate in the invasion of Southern France where he was injured again. He was awarded the Purple Heart and Oak Leaf Cluster. Melvin will undergo an operation while in the States. Pfc. Woolard looked fit as a fiddle, having acquired additional height and weight. We are surprised that the southern French belles allowed him to escape. Welcome home, Pfc. Woolard. We are grateful for your fine record. Visit us again soon.

NEWS FROM MEN AND WOMEN IN SERVICE

This news is obtained from many interesting letters received. Write us a letter to-day.

S/SGT. LESLIE W. ADAMS: Sgt. Adams is a prisoner of war in Germany. Leslie H. Adams, his father and a Caromount employee, showed us a letter received recently from the POW Camp where Sgt. Adams is interned. He writes "I am getting along o.k." Naturally the space was scarce and he did not have an opportunity to tell much more. We are glad to get this news from Sgt. Adams and hope things go well with him.

PFC. RICHARD BRADLEY: Richard Bradley writes that it is pretty cold for writing letters in a fox hole which is a good reason for not writing. Richard is in the 84th Division attached to the first army and at the time he wrote this letter he had just come back from the front lines in Germany for a little rest. He states that those shells come mighty close at times but he has been lucky so far and we hope he will keep the same good luck.

PFC. R. M. BRANTLEY: Randolph writes that he is in the "36th Division" in France and that he has been moving so fast that he has not had time to write. Pvt. Brantley thinks the CAROMOUNT NEWS is "a very nice paper" and it means a lot to him to get it. This letter was written on December 10, 1944 and Pfc. Brantley was reported missing on December 15. We are hoping to hear good news of his whereabouts.

SGT. MARGARET F. BROWN: When writing us, Margaret had just completed her third boat trip. After leaving the States, she first landed in Brisbane, where she had quite a time, then from there to Dutch New Guinea -- and now the Philippines. Margaret says the natives and the jungles she has seen were worse than any pictures. On her way to her present destination they
