Shelton Looms Products Exhibited Locally

The Shelton Looms products were prominently displayed at the Industrial Exhibit held in connection with the forty-fifth annual meeting of the Rocky Mount Chamber of Commerce. The exhibit was bordered on either side by many pieces of upholstery fabrics in gay colors. Furniture in Laurel 7058 JX quality was used through the courtesy of Montgomery Ward and Company. A model loom, which went through the motions of weaving and created much interest, is shown in the center. Toys, coats, and a rug made from Shelton Looms fabrics were also displayed.

This exhibit was set up in the People's Bank lobby the week of April 19.

Council Meeting In Charlotte

Rocky Mount was represented by eight delegates in Charlotte during the weekend of April 8-10 for a council conducted annually for the young people of the Salvation Army. While there the delegates visited the "Lord's Supper" sponsored by the Lion's Club in a specially arranged trailer. A table almost the length. of the trailer was lined on one side. The figures of Christ and His disciples were around the table. They were made of wax and were very

Employees Commended For Neat Work Area A Word of Praise

The Safety Inspection ommittee for April had a word of praise for the general housekeeping conditions throughout the plant. Nearly all departments have made a marked improvement in the appearance and orderliness of their work area.

Working in an orderly department creates a more wholesome atmosphere and leads toward a more satisfactory production job as well as making the department more safe. Let's strive to keep our department neat and orderly.

Rehearsals For 1949 MinstrelGetUnderway

On Friday, April 8, members of last year's Caromount Minstrel cast gathered at the Field House to enjoy a delicious barbecue and chicken dinner and to talk over the possibility of putting on another minstrel show this year.

Manager E. H. Suessmuth welcomed the group and invited them to have a good time.

After the eating, the minstrel spirit prevailed and many of the old time songs were revived from last year's show and new ones were suggested.

Manager Suessmuth was particularly adept at "tickling the ivories" and the Caromount orchestra composed of Clyde Evans, Walter Greenman, E. H. Suessmuth, Herbert Taylor, Bill Williams, and Billy Williams also performed creditably. Julius Eppes, who plays the saxophone was absent for this meeting.

Manager Suessmuth appointed a committee to find out if there was sufficient interest in putting on another show but the group without hesitation decided unanimously to favor another minstrel.

Others present were Mesdames Alma Lancaster, Georgine Pittman, Jean Proctor, Pearl Green, (Turn to Page Three)

Booklets Presented To High School Seniors

Approximately 130 high school students in Wilson and 150 high school students in Rocky Mount received individual copies of "Your Future is What You Make lt" as gifts of the Wilson and Caromount Divisions of Sidney Blumenthal and Co. Inc. This is the second year that Blumenthal has presented this booklet to the seniors. Last year the Braswell Memorial Library, the Rocky Mount High School library, the Wilson County library and the Charles L. Coon High School library were presented sets of books on vocational guidance by Sidney Blumenthal and Co. Inc. The booklet is prepared with the assistance of personnel executives, school administrators and teachers throughout the country. Its purpose is to give a fresh approach to the subject of vocational guidance. (Turn to Page Two)

Thirty-one employees received weekly sickness benefits which avraged \$30.33 for each claim. And the employees were hospitalted for an average of 4.2 days and eceived an average benefit of 41.12. There were 26 dependents of employees who were hospitalted for an average of 4.7 days. They received an average benefit of \$47.70. The premium cost for this perbd was \$7,358, the entire cost of which was borne by the company. life-like. Christ was in the center. (Turn to Page Three)

It's Time For Softball

Spring is definitely here and it's time for all soft ball players to turn out for practice.

The Engineering Department has done a good job in preparing the playing field and it is now in excellent shape.

People who are interested in playing soft ball should talk it up in their departments and help get together a practice team.

Any group interested in forming a departmental team should contact the Personnel Office.

Samples On Display

On April 7, 1949 Rex Teaney, r e p r e s en ting the International Shoe Company was on hand to measure the shoe sizes of 150 employees interested in wearing safety shoes. These shoes are very reasonable, comfortable, and offer protection against toe injuries. Samples of these shoes may be seen in the personnel office where you may place your order.
