Company Gives \$2.00 To Employee On Shoes

Sidney Blumenthal & Co. Inc., will pay two dollars toward the cost of your safety shoes. These shoes are being ordered at wholesale prices and with the company contribution may be obtained at an unbelievably low cost.

A sturdy, comfortable work shoe can be obtained for as little as \$3.25 cost to the employee. Better grade shoes would cost the employee \$4.00 - \$5.00.

The company realizes the importance of safety to the comfort and well being of each employee and the members of his family. It is offering this two dollars gift on top of the arrangement to purchase shoes at wholesale prices as a means to encourage all employees to wear safe and comfortable clothes and to act and think safely.

Camp Cooper Weekend Benefits Troop 113

By Scouts Mack English and Gene Lanier

Recently fifteen boys from Troop 113 left Rocky Mount one Saturday morning in a jeep and trailer with their leaders Herman Roberson and Perry English to spend a week end at Camp Cooper. On arrival we unloaded our gear and carried it into the cabin.

Soon after arrival we had dinner; then we played ball, went swimming, and played horse shoes until supper time. After supper we built a fire in the fireplace and Herman Roberson told some stories about the war until time for bed.

Sunday morning was bright and sunny so everyone went swimming before breakfast and followed with a ball game. After dinner we had a staff meeting and later continued the horse shoe contest. Charlie Cuddington and Herman Roberson were champions until late Sunday morning when they were defeated by Dickie Carmichial and Kenneth Wood.

One of the boys found a little rabbit in an unused well about 12 feet deep Sunday. Kenneth Wood was let down into the well on a rope and he rescued the rabbit. When he was brought to surface he ran for the woods as fast as he could go.

Sunday after dinner we started loading the trailer for the return trip while some of the other boys cleaned the cabin and prepared to leave. Mr. and Mrs. W. H. Wil-

500 Persons Enjoy Caromount Varieties

Nearly 500 persons filled the Edgemont school auditorium on Saturday night to witness The Caromount Varieties, an all-employee show produced each year by the employees of the Caromount Division of Sidney Blumenthal & Co. Inc.

The show, which was directed by Manager E. H. Sues-smuth, was divided into three parts: Act One was made up of specialty numbers which included sprightly bathing beauties, pantomimes, singing and dancing.

Act Two consisted of a twenty minute program by the Caromount String Band.

Act Three was an old time minstrel which was very well received by the audience.

The show in its entirety was well produced and has caused much favorable comment from those who witnessed it. The costumes were very attractive and created a most pleasing effect. Most of the costumes were designed and made by Caromount employees.

The complete show was produced, staged and directed by Caromount employees. Seventy-eight employees actively participated in staging the show.
