

People You Know

Leon Edward Garner came to work in the Caromount Dyehouse in April, 1942. He has worked in that department ever since.

Leon was born in Carterett County in Eastern North Carolina on December 23, 1911. He is the son of Mr. and Mrs. George T. Garner, and the oldest of six children, having four brothers and one sister.

When Leon was fourteen years of age his family moved to Nash County where he continued to work on the farm. After leaving the farm he worked as a construction worker, prison guard, and taxi driver before coming to work at Caromount.

On December 17, 1930 he was married to the former Miss Bessie Lucille Bunn of Nash County. They have two children; Edward Lee, age nineteen, who is now with the Navy Air Force stationed in Hawaii and Doris Gray, age sixteen, who is a student at Red Oak High School.

Leon now lives in the country a few miles from Rocky Mount. He grows a garden and raises hogs and chickens for home consumption.

He enjoys rabbit and squirrel hunting when he has the time. Leon is getting in the dog business. He has two fine beagles which he expects to train for rabbit hunting. He is very proud of them; and they have drawn much favorable comment from everyone who has seen them.

The Garners live at Route 3, Rocky Mount and attend the Stoney Creek Baptist Church at Dortches.
