### Devotional Thoughts

#### Who Is Christ?

Suppose for a moment that Jesus of Nazareth did not rise from the tomb. Then the skeptics of Jerusalem on that third morning would have sneered at His prophecies; His persecutors would have cursed his troublesome appearances with gladness; His faithful followers and friends would have been despondent in their doubt. And the generations that followed Him would have studied and debated His Life and His Teachings. They would have called Him a good and sincere man, God's greatest prophet, a great moral teacher or a wise philosopher, but they could not conclusively call Him the Son of God. And if Jesus Christ be not the Son of God, then our religion is a farce, a sham, a historic jest. As St. Paul says, "If Christ be not risen from the dead, your faith is in vain."

While Easter is a day of great faith and great love, it is also the feast or day of commemoration of great hope. For Christ in rising from the tomb has given us the pledge of our own resurrection. If Easter means anything, it means that death and the grave are not the cruel end of life; rather they mark the moment when we can begin to live the fulness of life in Christ and with Christ forever in Heaven. This makes the life of a Christian understandable; for while we bear the Calvary of our earthly existence, we have the promise of our own resurrection. Then shall we fully appreciate His words, "I am the resurrection and the life." *Rev. Charles B. McLaughlin, Pastor, Our Lady of Perpetual Help Church, Rocky Mount, N. C.*
