VOLUME XXIV

THE JAMES B. DUDLEY HIGH SCHOOL, GREENSBORO, N. C., FEBRUARY, 1957

NUMBER 4

LEADERS OF THE MONTH

Leaders of the month: Lazelle Free, top left; Shirley Taylor, top right; David Dansby, center; Harvey Ramseur, left bottom and Annie Suber, right bottom; representing September, October, November, December and January respectively.

Who's Who In Leadership

Good leadership is the ability to lead a group of people wisely. Everyone exerts a certain amount of leadership over some group of people but there are few persons who exert wise leadership over a relatively large number of people. Dudley is blessed to have a few of these people.

The Dudley Chapter of the National Honor Society wishes to accord some of these people some well deserved recognition. In order to do this we are going to recognize one person each month, who in that month has shown the greatest amount of leadership, as Leader of the Month. Students chosen during the first period of the year are as follows: September, Lazelle Free; October, Shirley Taylor; November, David Dansby; December, Harvey Ramseur; January, Annie Suber.

September—In the month of September the outstanding leader was Lazelle Free, chief of Patrol. Free showed his driving leadership ability by organizing the Safety Patrols in a smooth functioning organization. The patrols, under Free's leadership, helped both old and new students alike to adjust to the new school year. It was largely because of Free and his Patrols that the school year got off to such a good start. He is also Vice-President of the National Honor Society, a member of the Marshals, the French Club and a member of the Dramatics Club.

October—For the month of October there could be no better leader than our Miss Homecoming, Shirley Taylor. Shirley reigned with great dignity and poise. She proved to be a popular leader in that she was elected by a large majority. Shirley set a good example for the Miss Homecomings of the future to follow. She is a member of the Spanish Club, Mixed Chorus and Patrol Force.

November—David Dansby, President of the National Honor Society, was chosen for his work in November with both the Band and the Honor Society. As presi-

dent of the band, Dansby was instrumental in leading the band to a successful marching season. He supplied the extra pep that is needed in making up a good band. Dansby didn't just limit his activities to the band, he proved power in the National Honor Society. It was largely due to his work that the Honor Society installation was a success. David is also a member of Spanish and Bus Drivers Clubs. Beside all of this, he is also Captain of the Safety Patrols.

December — In December we would like to recognize the Captain of the football team, Harvey "Boon Dock" Ramseur. Ramseur received a special honor when he was selected to play in the Shrine Bowl game which is the high school All-Star Game. As president of the Art Club Ramseur played a large role in the erecting of the Christmas decoration on the front lawn of the L. Richardson Hospital. He also belongs to the Jr. Red Cross, Teenage Club and the Hi Y Club.

Special mention must also be given to Nathaniel Brown who also played in the Shrine Bowl Game. Brown proved to be the offensive star for the Western All-Stars.

January—Guess who's January's leader? Annie Suber, of course! Making this her third year and last year, Annie holds a record of not missing the honor roll. The clubs: National Honor Society and Patrol Force are the ones she is affiliated with. She is co-editor of the Panther's Staff.

Among the Journalism students, Annie's "nose for news" is appreciated.

Faculty and fellow students sense these qualities which led to her leadership.

We hope that each and every person in the school will improve his or her leadership ability. Let us all remember that in order to be a good leader we first must be a good follower.

Band Members Attend Central Dist. Clinic

Members of the Dudley Band, along with Mr. Gibbs, chairman of the District, were hosts to those attending the Central District Band Clinic on January 25th at the A&T College.

Since the last clinic, there have been a few changes made, the clinic this year was held at A&T because the band quarters here at Dudley were not finished, and instead of the whole band attending the clinic; only five members from each school were permitted to attend. However since the clinic this year featured a world wide specialist on drumming, Phil Grant, all drummers in addition to the other five members were permitted to attend.

The five students from each band that attended the clinic tried out for positions in the clinic band, which presented a concert at 2 p. m. Friday afternoon. Band masters who majored in certain instruments conducted the tryouts.

Those students that attended from Dudley were: David Dansby, Janice Monk, Colen Craven, Jefferson Herring, Richard Davis, Ted Carpenter, Ernest Bigelow, Alton Long, Richard Summers, Ronald Kermon, Alexander Faucett, Marian Davis and Johnny Porter. These students were accompanied by Mr. Gibbs.

Bennett Seniors Elected To Who's Who

Ten seniors at Bennett were elected to Who's Who Among Students in American Universities and Colleges.

Two of the young ladies were 1953 graduates of Dudley. Miss Gwendolyn Harris, a Social Science major, is vice-president of the International Relations Club, secretary of Sigma Rho Sigma and a member of the Non-Resident Students' Club. Miss Grace Dungee, an English major, is president of Kappa Phi, vice-president of Alpha Kappa Mu, and student representative to the Central Committee. Both did their practice teaching here. Miss Harris—Mrs. Robinson; Miss Dungee—Mrs. Gillespie.

Miss Dungee has been appointed to National College Board of Madeoiselle.

Three of the other young ladies did their practice teaching here also. They are: Miss Paula Edmunds, an English major—critic teacher, Mrs. Smith; Jacqueline McAllister, a Music education major—critic teacher, Miss J. R. Morrison; and Julia McClain, an English major—critic teacher—Mrs. N. A. Coley.

Congratulations to each of them from the Dudley Family. Some were one or more who went out of his way to render service without thought of reward.

We Are Appreciative

In acknowledging our appreciation for such consideration, we are most grateful to all those who contributed toward making it possible for us to use the Senior High School's gymnasium.

Tarpley Sees Dream Come To Fruition

"All good things come to those who wait" is a familiar saying which is applicable to Dr. Tarpley as he has recently seen come to fruition two of his dreams—the new addition to the high school and added facilities at the YMCA.

He has worked hard in an effort to see these things materialize and in keeping with the zeal which went into his activities toward a better school and a broader program at the Hayes-Taylor Y, he was selected to make the main address at the dedication of the new facilities.

Since that time many fine comments have been forth coming with regard to his address, which stressed the "Intangible but eternal values of the Y."

In the address he said that they are character building values, intangible values which cannot be measured in dollars and cents, seen or handled or calculated in materials.

Other guests, who gave brief

remarks were Caesar Cone, who donated the original building, Spencer Love, and A. H. Parker, Chairman of the Chest's capital funds committee, who were presented with the plaques for outstanding service to Greensboro; C. T. McNairy, Central Y president; Mrs. Warren Ashby, Downtown Y.W.C.A. president; and T. Spencer Meyers, executive director of the Greensboro United Fund.

Those attending saw nearly \$300,000 worth of additions to the Y. These included swimming pool, gymnasium, locker rooms and showers, women's lounge, boys' department and renovations to the original building.

The Lincoln Junior High School Band, directed by J. D. Morgan, gave a half-hour concert before the dedication program.

Other entertainment was furnished by the Gray-Y Boys, Evander Gilmer, Hayes Taylor Boys Glee Club, The Y-teens and the Greensboro Men's Glee Club.
