

My Estimation Of Possessing A Band

I think it is a great opportunity to possess a band. Many children at other schools don't have the opportunity to possess one. Many students of various schools don't know how to appreciate music. The main reason for this is that they don't have a band. You should be proud of your band and support it.

We are also fortunate to have Mr. J. Y. Bell as our bandmaster of the Lincoln High School Band. He is a generous, understanding, and even-tempered man. All the band members like and respect him. You should also be proud of him.

The Girls' Council

The Girls' Council of the seventh, and eighth grades met on Wednesday afternoon. We elected officers. The following persons were elected as officers: Cedonia Atwater, President; Peggy Vickers, Vice President; Malissia Farrington, Secretary; Shirley Reavis, Assistant Secretary; Carolyn Brewer, Reporter. Mary Mason was elected the girl of the month. The seventh A class is very glad to have her the GIRL OF THE MONTH. Mary Mason possesses all the qualifications necessary to win this title. She is also one of our best athletes. Our bandmaster says she is developing into a great musician. There is something about her that causes everyone to like her. Our class is honored to have as a member a student like Mary.

Spring

When we started to school it was autumn. The leaves were falling from the trees; the grasses were turning pale; it was just a dying world. Then winter came on first with frost and freezing weather. Then the ground was covered with a blanket of snow. Children were having a glorious time sleigh riding. Now spring has begun all over again. Birds are singing; bees are buzzing; and the trees are blooming where they were killed by snow, freezing rain and frost.

The flowers are blooming of different colors and the trees are all green again. It is a beautiful season of the year—SPRING.

Thanks

A few weeks ago I was a patient at Lincoln Hospital, in Durham, North Carolina. During the time I spent there my teacher and classmates were very nice to me. The boys and girls in my class made me feel very happy. I wish I could give each of them a gift. I cried for joy when I received the many letters and "get well cards".

When I came home my teacher and class continued to bring me lovely gifts and cards.

I am happy to be in school again and I hope I can stay for the rest of the year.

I want all of my schoolmates to know that I have the kindest, nicest, and most thoughtful teacher and classmates in the whole school.
