Out of this number, between 15 and 20 girls will be chosen to represent the school's talent this season. Several games have already been scheduled, the first being December 18, 1952, against Horton High School of Pittsboro, North Carolina. Others are Hillside, Little River, Merrick-Moore, Pittsboro, Roxboro, Hillsboro, and Pleasant Grove. Two games will be played for the benefit of the Band Uniform Drive.

## 7th B News

The 7th B Class has made many beautiful things in our art class. The first six weeks we learned Shell Craft. The first thing we learned was the names of the different kinds of sea shells.

We made earrings of many designs and shapes, decorated combs and hair barrettes, made branches of all kinds and decorated beautifully shaped bottles.

Our work was on display in our display cabinet in the hall.

We enjoyed shell craft very much.

The second six weeks we made animals and fruit plaques from plaster of Paris, and turkeys for Thanksgiving from pine combs.

Now we are busy making our Christmas gifts. These include cookie cans, waste baskets, Santa Clauses from dish cloths, and lamps.

## Class Presents "Boston Tea Party"

The 8th B class had a history play Friday in class. The name of the play was "The Boston Tea Party" made up of a group of ladies who met at Mrs. E. King's house. They were called to promise not to buy tea or any other British goods until the rights of the colonies were respected.

Characters participating in the play had different names. They were as follows:

Annie Burnett—Mrs. J. Moore  
 Esphere Foster—Mrs. E. King  
 Mary Mason—Mrs. E. S. Smith  
 Delores James—Mrs. E. Edwards

Betty Jones—Miss C. Harnett  
 Helen Walker—Mrs. E. Alston

This play was given because of the studies of the colonies which were trying to get their rights from England in colonial days. They would not obey the laws and refused to pay taxes.
