### Bulletin Board In The News

Our bulletin board in the hall offers helpful as well as interesting material. On it we very often find suggestions and other helpful information that will help us to

cope with the situation that confront us. It is a channel through which the various lessons or ideas taught in other classes may be passed on to the entire school.

Our latest displays were as follows: for Thanksgiving, Troy King drew a traditional scene which conveyed the idea of Thanksgiving. Last week, there was a display on our new President-elect, Dwight D. Eisenhower. This week, the display is on "Character Building". It was put up by the Seniors.

This display shows steps leading to successful character building.
