

LIBRARY NEWS

On April 14, 1962, four members of the Library Club and their adviser, Miss Thompson, attended the conference of the Association of North Carolina High School Library Clubs, which was held at Hillside High School, Durham, North Carolina. Club members taking advantage of the trip were Mable Minor, Johnny Perry, Charlene McDougle, and Roland Rogers.

As the president, Charles E. Daye—a senior of Merrick-Moore High School—presided, the Association opened its tenth annual conference with devotions led by Miss Bobby Williams of the Garner Consolidated High School. We were very graciously greeted by Mr. F. H. Alston, Assistant Principal of Hillside, and Gloria Evans, president of Hillside High School Library Club. The Response was given by Charlene McDougle, who was unanimously commended for delivering an excellent address.

Following the conference theme—SCHOOL LIBRARIES—Foundation for Quality Education, Miss Jane Wilson, Library Consultant, Durham City School, delivered an address entitled "An Open Letter to School Library Assistants".

After the adjournment of the general session, a period for relaxation was afforded during which there was a social preceded by lunch in the cafeteria.

The workshop groups assembled at 1:45 P. M. Discussion topics for all workshops were as follows: "The Objectives of a Good School Library", "The Role of the Student Assistants", "Library Citizenship", and "Reading Guidance".

The highlights of the afternoon Business Session included presentation of awards and election of officers. A young lady from Knightdale High School and Charlene McDougle were the only recipients of the Key Pin Award; which is earned only by a pupil who has been remarkably outstanding as a student library assistant and whose membership in the school club and state organization has extended over a period of, at least, three years.

The students and advisers left the association with an incentive to work harder and all are looking forward to attending the conference next year.

NEWS IN BRIEF

The Junior-Senior Prom

After having prepared antcipatingly, the juniors presented the seniors with an evening in "Chez Paree" on April 27, 1962. The school gymnasium was cleverly decorated in a side-walk cafe scene. As a whole, everything bore a Parisian touch, even down to the miniature Eiffel Tower centerpieces on the tables. The fabulous band was Jazz Bo and the Swinging Five. Refreshments were served.

- "Wrap Your Troubles in Dreams"—Seniors Exam Papers
- "Somewhere Over A Rainbow"—On the Stage Graduation Night
- "So Long"—Leaving Lincoln High
- "My One And Only"—The Diploma
- "My Destiny"—College-Work
- "Shake A Hand"—Receiving the Diploma

"Upon leaving Lincoln this year I would like to give my sincere thanks and appreciation to all the teachers that have had me in their care. It has been wonderful being in your classes and being inspired by you."

SPORTS REVIEW OUTLOOK

The outlook for the Lincoln High Tigers looks very impressive for the coming year 1962-63, states Coach Peerman. The loss of senior athletes in June will not be very heavy except for football. In football, eleven players will graduate in June. They are as follows: Fred Battle, Thomas Alston, Lacy Reeves, Daniel Whitley, Sylvester Bynum, Bernard Britt, Thomas Farrington, Albert Williams, John Fikes, Wilbert Farrar, and Kannis Minor.

In basketball, we will only lose six (6) senior lettermen from this year's squad. They are Fred Battle, Eugene Lyons, Earl Geer, Thomas Alston, Robert Cole, and Daniel Whitley.

In baseball, we will lose only four (4) veterans. They are Sylvester Bynum, Robert Cole, Norman Merritt, and Roy Cotton.

Altogether, we lose twenty-one (21) senior lettermen because of graduation.

All other lettermen and athletes are expected to be back in action for the Lincoln Tigers next school year. The majority of next year's athletes are this year's sophomores and juniors. In this case our prospects for the future look very promising.

The Chapel Hill Unit of the North Carolina Teachers Association sponsored "Teachers' Appreciation Night" honoring local teachers who have rendered service to the Chapel Hill School System for a total of ten years or more. FAREWELL FROM 9-2

The class of 9-2 gives its warmest and dearest farewell to the Seniors of 1962. Although you are parting you will remain in our hearts and in our thoughts always.

As you travel down the Highway of Life we hope you won't stumble and fall but walk tall to the City of Light for life is but a dream and you must awaken to enjoy it.

We sincerely wish you much success and happiness in the near future and we hope that you will remember that success comes only when you work for it.

TO SMOKE OR NOT

"To Smoke Or Not To Smoke," was presented to the members of the Junior and Senior High School as a service and information feature of the Home Economics Department in conjunction with the local chapter of the American Cancer Society. The purpose of the filmstrip was the graphically presenting of significant information to students regarding: (1) the serious and rapidly increasing health problems of lung cancer (2) the evidence that shows cigarette smoking is a strong causal factor in the disease.

Brief Description of Filmstrip—"To Smoke or Not to Smoke" portrayed:

1. The keen interest of high school students in the question of whether to smoke or not—as an individual decision.
2. The growing seriousness of lung cancer as a cause of death, and today's low cure rates by surgery.
3. Research studies that show the relationship between smoking and lung cancer.
4. The injurious substances in cigarettes and how they affect normal functions of the lungs.

5. The importance of early detection of lung cancer, the value of yearly health checkups—and the best protection of all which is prevention through individual decision not to take up smoking at all, or to stop smoking.

Guest Consultants

Dr. and Mrs. O. Campbell from the University of North Carolina, led the discussion for the Family Living Class and their guest.

A brief quiz and opinionaires of the film were given and the results gave evidence of real significance.
