

**THANK YOU!!!  
THANK YOU!!!  
THANK YOU!!!**

Once again it is time to try to thank the many people who have made contributions to Penland through the year. In this space, we have listed those who have joined the Friends of Penland since last March. Also listed are those who made gifts to the capital campaign and other funds and those who made gifts of materials and services in 1990.

We would also like to express our appreciation to the many, many volunteers who comprise the Penland Community and bring their special contributions to the School: all of the instructors, the board of trustees, the local artists and neighbors and our Postmistresses - **Becky and Frances.**
