

THANK YOU!

Once again it is time to try to thank Penland's many friends who have made contributions through the year. Listed below are Friends of Penland who supported the Annual Fund beginning in December of 1992. Also listed are those who made gifts to memorial funds, studio improvement and scholarship funds or who made gifts of materials and services during this time.

Every gift — no matter the amount — is so very much appreciated, and if by chance we inadvertently failed to list yours here, please let the Development Office know, and the oversight will be corrected in the future issues of the Penland Line.

We would also like to express our appreciation to the many volunteers who comprise the Penland Community and bring their special contributions to enrich the school: all of the instructors, the board of trustees, the area artists, our many fine neighbors and our docents. A special debt of gratitude is paid to our Penland post mistresses, **Becky Davis** and **Frances Willis**, who handle the vast amounts of mail to and from Penland with great efficiency and good humor.
