

## Message from Your President

Dear Fellow Members,

It is indeed a pleasure to serve as your president this year. I want you to know that I appreciate the opportunity and only hope that I'm up to the challenge.

As always, there are important issues on the horizon that we will face during the year. It will be important that the Board of Directors has your input, advice and support. As issues, questions and problems arise during the year, feel free to contact a member of your NCCCAEA Board. We want to hear your concerns, we may not be able to solve your problems, but we will listen and would like to try.

Also, please take an opportunity to invite some of your co-workers that are not members to join the association. The Board has set a goal of 600 members for the year and only with your support will we reach that goal.

Plans for the Fall and Spring Conferences are well on the way. President Elect Hans Aubuchon, Chairman Russ Sharples (Fall) and Chairman Bill Adams (Spring) have their ducks in a row and well on the way to two super meetings. Hope to see you at the RTP Sheraton Imperial on Nov. 8-10. Remember, working together works!

*President, NCCCAEA  
Donald Buie*

## Welcome To The 1995 Fall NCCCAEA Conference

We have planned over 40 workshops designed to update and inform you in all facets of Adult Education. Also, we have some very special events in store. Lieutenant Governor Dennis Wicker, Chairman of the State Board of the Community College System, will deliver our keynote address. Following the Lieutenant Governor will be Dr. Clifton Davis, the noted actor, author, composer and the star of the television series "Amen". Dr. Davis is Vice Chancellor for Planning and Development at Elizabeth City State University, and he will share his insights and perspectives into adult education.

At the luncheon on Thursday, we'll salute Bobby Anderson, who has retired after many years of service with the Community College System. And at breakfast on Friday, a program of music and song by Lisa Bamford, Miss North Carolina, will highlight a tribute to our nation's veterans.

So, enjoy the conference and take advantage of the many different workshops offered. We hope you find the 1995 conference your most informative and rewarding ever.
