OUR HOSTESSES GOD BLESS 'EM

THE "FUN FIXERS"

Pictured left to right are the Seymour Johnson Field Service Club hostesses who are responsible for the smooth functioning of the enlisted men's club. Miss Bernice Crumpacker (seated) is senior hostess who sees that everything is run smoothly. She takes care of the dances, keeping the place clean and is thoroughly responsible for the fine job of keeping the soldiers cheerful and occupied with entertainment during off hours.

Miss Mary Spence, librarian of the Post Library runs here department as one of the most efficient units of the Special Service. Through her management, soldiers get to read the best and latest books.

Miss Jane Reidenhour, aids Miss Crumpacker in her endeavor to better the club. She also takes care of the "Information Desk" available to men who are not familiar with the field.

WAACS VERSUS NURSES

This was definitely not a battle of the sexes, but it was a battle of wit, nevertheless. In the weekly quiz program, Cpl Johnny Grant is shown as "Professor G.I." asking Lt. Maude Johnson, of the Nurses, a question that seemed to need deep pondering. Seated at the extreme left, Auxiliary Juanita Williams, of the WAACs, seems to think it's a tough one too.

During this "question battle"

Miss Naomi Steed, is in charge of the cafeteria which serves hundreds of men each day. Through good management, ice cream sundays and cokes can be enjoyed in very such the same manner as those bought at the "corner drug store" back home. Mouthwatering mealings also be bought as well as fruit and other "between meal snacks."

The Service Club provides a place for visiting parents and friends to meet servicemen stationed here.

MORE CORN

An old Mississippi Negro watched a company of soldiers grin by with a broad and toothless grin on his face. "Doggone," he chuckled, "you-all sure is gonna git them Yankee's this time, ain't you?"

The private was writing a letter to his mother. "The food in this camp is absolute poison," he complained. And then he added, "and such small portions."

Service CLUB

A record crowd of visitors and soldiers gathered at the Service Club to enjoy one of the finest regular Sunday afternoon variety shows put on.

Although the musical facilities at the Club consisting of piano, recording machine and a juke box are most entertaining mediums in themselves, the club asks that consideration be given by playing one at a time. It has been reported a number of times that poor manners have been shown in not complying to this request.

The weekly Friday night dance sponsored by the 36th TSS occurred in the same smooth manner which is customary for these occasions. A large attendance enjoyed the dance, and plenty of girls were available for dancing with the GIs.

Senior Hostess Miss Crumpacker asks for any suggestions that would be for the betterment of the club. Any helpful suggestions that would provide entertainment for military personnel would be appreciated by Miss Crumpacker. These suggestions can be turned in at the information desk at the Service Club.
