80th Avn.	0	1
801st TSS	0	1
802nd TSS	0	2
12th Mess	0	2

HARDBALL TEAMS PREPARE FOR OPENING

With ten exhibition games having already been played at this writing and even more in store for the fans, the hardball nines on this field are rounding into fine trim for the official opener on Decoration Day, May 30th.

A game for each shift will keynote the gala tripleheader to be played on that day. The contests will be played at various times throughout the day so that all interested spectators may see the struggles.

The 601st Technical School boasts a very strong aggregation of diamond athletes. They have captured their two exhibition games, so far, including a thriller from the 799th, another powerful contingent, 4-7. Their Sergeant Herman is doing great work in the pitching department and also wields a sturdy hunk of nickery.

Scores of the past week include: the 799th's win over the 80th Aviation, 6-4; and their loss to 801st by an 8-7 score as mentioned above; 801 also beat the Medics, 5-3; the Medics were also winning and losing to the 800th TSS and 802nd Tech. Sch., respectively.

SO-LONG SAMMY

1FC Sammy Lotrock, instructor of boxing at the Sports arena left this past Tuesday for a two month period of schooling at N.C.O. school for physical instructors at Miami Beach. Upon successful completion of the course, our eloquent professor of the gloved science will return to us as Staff Sergeant or perhaps a Tech Sergeant.

SCORES

High-light National and American League baseball scores will be run in the daily sheet printed at Seymour Johnson Field called "Today". Through this week, soldiers of this post can keep up with the standings of their favorite teams.

The Post Theatres also carry leading team scores on the screen with every showing of the regular films.

THERE IT GOES!

The GI swinging has just missed a good strike and this is how the hurler sees it as the catcher receives the ball.
