#### IN DANGER.

Johnny's mother always read a story after Johnny was tucked in bed at night. She had read a Bible story, how the rib was taken from Adam's side to make Eve. Johnny listened attentively and his mother kissed him goodnight and left the room. In a short while she heard Johnny crying. She went to the room and asked him what he was crying for. Johnny kept on crying and his mother said: "If you don't tell me what hurts you, I will send for the doctor."

Johnny: "Oh me. My side hurts I guess I am getting a wife."
