TOL. LVIII.

WELDON, N. C. THURSDAY, MAY 1, 1924.

NO. 50

SPRIGHTLY SPARKS. nathered Here and There and Everywhere.

Wabbling birds. Rock fish season. It's the ice man's turn This is the month of roses.

The beautiful month of May. The farmers are stirring the land. in he grown

Maybe another reason why the corm turns is because its back gets itching:

Ordinarily a woman is afraid of mouse, but not if she has promed to love, honor and obey him, Many a woman around Weldon wishes her husband was as handy bout the house as he is about the

Science is capable of doing many ings but it has never been able make an umbrella stay where a man purs it.

when they get ready to run for terially and spiritually. vice-president?

Weldon citizens who have any vestigated by Congress.

The Weldon man who goes home and finds the kitchen stove in the parlor doesn't have to be told that i's house-cleaning time.

Mr. Luke Shearin says no girl wants a man to begin paying her attention unless he is willing to wind up by paying her bills.

Weldon women are only as old as they feel, and how they feel de pends a good deal on what the neighbors have to say about them

We recently heard a Weldon man wondering why girls never cry like they used to. Maybe they believe in keeping their powder

"Another thing the matter with the world," chirps/ Mr. B. W. married women and not enough

"I know a man," declares Mr. George Brickell, "who is always

"I hope," says Mr. Earl Parker, 'that men don't take to wearing whiskers again. Women might also start it on the ground of equal

"It's a real pleasure to tuck the Rev. H. B. Porter, of Warrenton, children in bed-if you can manage to keep awake until the children come in," remarked Mr. E. Clark Morday.

No matter how successfully radio presents dramas and comedies and mus cal selections it will never appeal to the average man on the day there's a circus in town.

Before he gets her he tells her that he would gladly die for her. After he gets her he cusses a blue streak every time he makes a payment on his life insurance policy.

Eighty new amendments to the constitution have already been offered in Congress. It won't be long until we will be referring to our constitution as our amend-

Sometimes it looks as though our higgest fools are those who race the train to the crossing, and then again it looks as though it is the fellow who tries to play politics

without knowing how. It's hard for the average Weldon man to get it into his head that the hurp n his wife uses to pick her teeth and to run into the cake to see if it is done, isn't the same hairpin she uses to clean her nails and punch bedbugs out of cracks.

COUNTY COMMENCEMENT.

The commencement of the rural schools will be held in Halifax on Friday, May 2nd. Rev. Harry M. North, of Rocky Mount, will deliver the address. You may expect a message full of power and inspiration from this gifted speaker. The program will close with the operetta, "The Belles of Better Schools."

When The Big "Filter" Falls.

Skin and eyes yellow, mind and
