Captain and Mrs. W. H. Day Branch

### MEETING CLOSED.

A two weeks revival meeting came to a close in the Baptist church here last Sunday, in which the pastor, Dr. E. D. Poe, did the preaching and Mr. Jas. B. Cravy. Laurens, S. C., led the music.

The services were largely 'attended by all the people of the community, the other churches of the town suspending their services for the three Sundays the meetings were in progress, and the Methodist pastor, Rev. G. W. Perry and his people participating regularly in the effort to lead the community to a better life. Mr. McCravy is a musician of great charm and led the music in a splendid manner. His violin solos were an outsidad. ing feature of all the services. Dr. Poe for the two full weeks delivered powerful gospel sermons, using all his pulpit gifts in a most effective way to arouse the church members and inspire the non-Christians to the desire to live in harmony with God.

As a result of the meetings the whole community seems to have been greatly revived in their religious interest, the churches have been drawn into a beautiful Christian fellowship, more than a score of new members were added to the churches, and the town made a better place in which to live. Mr. McCravy left early Monday for Washington, D. C., where he will Grace Cline. spend a few days with friends, returning to Gastoria the latter part hart. of the week where he begins another meeting in the First Baptist Church of that place next Sunday.
