but its modern refineries also make the explosive Toluene, 100-octane gasoline and many other types of fuels and specialized lubricants for war-front and home-front use. Altogether, there are 10 modern Sinclair refineries serving this nation and its allies.

Weldon, N.C.

and in the Pacific take to the skies, they are forced to fight not only Nazis and Nips but one more enemy - friction.

To help our boys fight all three of these enemies, Sinclair produces great quantities of tough, dependable aviation lubricants. Every day, Sinclair refineries turn out enough aviation oils to lubricate a flight of 3,500 heavy American bombers. Today Sinclair is not only one of the largest producers of aviation lubricants,

SINCLAIR DEALERS fight friction on the home front. Their Sinclair-ize service helps make cars last longer. Let a Sinclair Dealer service your car regularly.
