## To Friends In Weldon

I want to take this means of expressing my sincere appreciation to all my friends in Weldon for the hearty welcome they gave me upon my recent stay here.

It's wonderful to be back in the "Old Home Town" and see the familiar faces and visit friends in their homes again. This is my first leave home for 28 months.

I also want to thank everybody who invited me to their homes for dinner. Tho I found it impossible to fill all of them and hope to upon my next leave home.

To Mrs. J. I. Wyche, Sr., and family, I want to thank them for the nice dinners and swell time they gave me in their home.

I was overseas about 18 months in North Africa, Sicily, Italy and France. Its tough going, but us American soldiers can take it, with "Gods" help.

I will leave for Camp Saturday December 2nd. Going back, where ever duty calls. Hoping to see all of you again, soon.
