

Arlene Pulley

N.C. House District 63

Education

School construction must be accelerated in high growth areas.
I will support enabling legislation to get our children out of trailers and into World-Class schools equipped for the 21st Century.

I will continue to support lowering classroom size, providing top pay for quality teachers, while at the same time demanding accountability and discipline in the classroom.

Roads

We must speed up the State's schedule for major commuter road projects. I support reworking DOT's allocation formula to address severe traffic problems in high growth areas, and condensing the piece-meal construction process used for most major projects. I support regional efforts to explore mass transit alternatives.

Health Care

I'm proud to have introduced the law that requires mothers to be given at least **48-hours of hospital care following childbirth.** I believe we can do more to insure affordable quality care. That's why I will sponsor legislation to **rate the quality of care for rest homes.** We rate restaurants, why not rest home?

Effective Leadership Working for You!

A Record of Leadership

- * Member, N.C. House of Representatives, 1995-96
- * Director, Governor Martin's Office of Citizens Affairs, 1985-89
- * Chief of Staff to the Lieutenant Governor, 1977-84
- * Chief of Staff to the Speaker of the House, 1975-76

Effective for Our Families and Community

- * Helped enact historic education reform for our children.
- * Helped pass the largest tax cut in State history for families.
- * Worked to repeal the prison cap to keep criminals behind bars.
- * Successfully sponsored an amendment to insure mothers and newborns at least 48 hours of hospital care.

Rated the third most effective freshman legislator.
