

It has been a great pleasure for me to work with our outgoing Editor of the High Times, Brenda Register. No one could have been more considerate and cooperative. I know she will be successful in achieving her ambitions if she always works as hard as she has this year.

I'd like to say farewell to the Seniors. They, who have been a vital part of our school activities, are going in all directions to take up many different careers. We are all going to miss you seniors. Best of luck in all you do.
