SMITHFIELD HIGH TIMES

Dear Freshman in want,

Why not try standing on your head and singing "The Star Spangled Banner" the next time he comes your way. If this doesn't catch his eye, nothing will.

Dixie Dot

Dear Dixie Dot,

It is my duty as corresponding secretary for Girls, I.N.C. to write you this urgent letter. We have a most pressing question for you to answer. Why is it that boys in SHS date so seldom? Can you give us any logical explanation for this phenomenon? We certainly do hope so. Thank you.

Very truly yours,
Miss X

Dear Miss X,

I must say this is one of the most baffling questions which I have ever received in all my career. Since I am a girl, I'm afraid I have no explanation. Only the boys have the answer.

Dixie Dot

Dear Dixie Dot,

I am a new girl in this school. I am wondering how I can get the boys interested in me.

A Brownette

Dear Brownette,

It seems to me that most new girls get quite a lot of attention from the boys. You must not have played your cards right.

Dixie Dot

Dear Dixie Dot,

I want very much to date a particular freshman girl, but am slightly bashful. I see her every day in Civics at fourth period; however, I just can't quite get up the nerve to ask her. Do you have any suggestions?

A Bashful Boy

Dear Bashful Boy,

It's as simple as ABC. Just give her a ring on the telephone.

Dixie Dot
