

DEAR

MODINE

Dear Modine,

I have some personal matters to settle with Ima and Irma Snoop. Who are they?

Robert Retraction

Dear Robert,

Ima and Irma Snoop are a couple of nosey personalities who snoop around the school and try their best to get their friends and enemies in trouble.

Modine Gunch

Dear Modine,

I had an argument with a "friend". He said the next time we met, he would kick me in the seat. What should I do?

Tommy Torts

Dear Tommy,

The next time you meet, sit down.

Modine Gunch

Dear Modine,

I have never dated the same boy twice. On a date, the boy sits on his side of the car, and I sit on my side. I have to. My mother sits in the middle. Do you think that my mother has anything to do with my problem?

With-a-mother-in-middle

Dear With-a-mother,

No, I don't think your mother is the cause of your problem. Could it be that you have bad breath?!

Modine Gunch

Dear Modine,

How do you get a boy to take you to ride in his car?

Wanna Ride

Dear Wanna,

Run and jump in before he gets there and hide in the back seat.

Modine Gunch

Dear Modine,

I am 5'2", weigh 200 pounds, and have long, stringy, bleached blond hair with the dark roots showing. No one ever asks me for a date. What can I do?

Fanny Fats

Dear Fanny,

"Get thee to a nunnery."

Modine Gunch

Dear Modine,

Who is your dope pusher?

Beany

Dear Beany,

Ann Landers.

Modine Gunch

Dear Modine,

I'll bet no other girl in school has a problem like mine! Every time a boy comes to pick me up for a date, my father meets him at the door with a shorgun. He doesn't mean any harm. The gun was lodged in his stomach by a bomb during the war. What can I do?

Aggie Butts

Dear Aggie,

Let your mother answer the door unless she has a knife lodged in her hand. In that case, explain that your parents are something of individualists in their appearance.
