

RHA Health Services

Pressly McClelland

ASHEVILLE-RHA Health Services (RHA) announces a Statesville employee as one of their employees of the year at their annual banquet Nov. 14 at the Renaissance Hotel in Asheville. RHA is headquartered in Asheville and provides local care and services in Iredell County and many other communities.

RHA, which supports people with disabilities, named Pressly McClelland from their office located in Statesville, as one of its 14 employees of the year out of nearly 1,900 employees throughout their organization.

Pressly McClelland has been with RHA for two and a half years and is a "habilitation" technician. Pressly was selected for his "commitment to quality services and dedication to the individuals that he serves," according to Cindy Myers, administrator of the Iredell-Yadkin Unit.

"We are very proud to have employees like Pressly McClelland working for us," said Jeanne Duncan, chief operating officer for RHA. "He proves that having the best employees means we have the best quality services possible for the people we support."

Taylor's Sport-N-Import

MOORESVILLE - Taylor's Sport-N-Import celebrated its 17th year in business with a Customer Appreciation Day on Saturday, Nov. 8 with refreshments and a demonstration of Taylor's new all wheel drive chassis dyno-meter. Attracted by the lake, owner Keith Taylor moved to the area from Buffalo, NY, and opened the business on Main Street in Mooresville with a three-bay garage. He purchased the property and built the building he currently occupies at 724 Oakridge Farm Road (Hwy 150) in Mooresville years later.

Taylor runs the daily operation of the business and his wife Linda handles advertising and marketing duties. Taylor currently employs five full time employees: Jason-service writer, Alan-oil change specialist/runner, Joe and Jerry- technicians. Taylor's Sport-N-Import Service Co. is a long-time member of the Mooresville-South Iredell Chamber of Commerce

The technicians at Taylor's perform tune-ups, heating, cooling, brakes, front end repair, and state inspections. With an onsite machine shop, dyno-meter and fabricating equipment, big or small, they can do it all. With the new dyno-meter and fab shop, they have recently expanded their client base to include area race teams. Hours are 7:30a.m.-5:30p.m. Monday - Friday with Dyno-Might meter appointments on Saturday. Telephone 704-664-4099.

Nov. 24: Attorney William T. Corbett Sr.'s office, 618 N. Main Street.

Nicholson Earns Merit Scholarship

A Statesville resident is one of 139 freshmen earning merit scholarships at the University of North Carolina Chapel Hill for the 2003-04 school year.

Peggy Davis Nicholson, the daughter of Tip Nicholson and Nancy Davis of Glendale Drive, has been designated a Chancellor's Carolina Scholar. The scholarship was established by the late Chancellor Michael Hooker. All 139 merit scholarships awarded are renewable from year to year.

This year \$1.1-million dollars of donated funds were made available to the merit scholarship winners. Over four years, the scholarship funds could total \$4.5 million. The award winners included 117 freshmen from North Carolina and 22 from other states and countries.
