WANTED
HAS MINISTRY and society become too impersonal for you? Do you long to be a part of something real? Me too. I would like to form a ministry that puts emphasis on being real... when prayer requests are acted upon, not just left alone to prayer. When people know and believe that love is an action word. I believe God is calling us together to save souls, grow saints, and serve suffering humanity. I need your help. Call me at 704-872-9794. Thanks!
