Canned Food Drive

IT'S AMAZING HOW A FEW CANS of food can add up when fun and fellowship are involved. Admission to the YMCA of Iredell County's recent fall festival was four canned food items for Yokefellow Ministries to help feed Iredell County's hungry. Tasha Hayden, YMCA Child Care Coordinator, (center) is pictured above helping Yokefellow associates James Linney and Ray Flowers load up the goods. "The YMCA is very aware of the many needs in our community. I think it's easy to see that our members and staff understand the importance of helping each other. And the festival is a way to have fun while helping others," said Hayden.
