THE OYSTERS ROASTED, THE Brunswick stew was tasted and the appetizers, desserts and salads were eaten. All the while the Misty River Band played, dancers danced and the "Theme Baskets of Delight" were raffled off. Profits, somewhere between \$2,500-3,000, went to help build the Gordon Hospice House.

Trinity Episcopal Church was the place this year, last year and will be next year in case you missed one or the other. The entire church pitches in, providing food, cooking, cleaning and eating, with Don Johnson, chairman of the outreach committee, at the helm.
