“Wimp” Carroll To Enter Armed Forces

When the new batch of draftees leaves Hillsboro next week to be inducted into the Armed Forces Chapel Hill High School will lose one of its favorite sons. He is Winfred, better known as Wimp, Carroll who receives the distinction of being the first Wildcat to answer his country's call since the start of school.

Born in May of 1925, Wimp spent his early years on his father's farm a few miles outside of Chapel Hill. Like most children he began school at the age of six and it is believed that this was the age at which he started upon his favorite hobby, girls. Not much is known of his early school life but it is rumored that Wimp had something to do with the fact that many of the elementary school teachers are gray-headed today.

N. C. E. A. Meets Student Council

The Chapel Hill Unit of the North Carolina Education Association met Tuesday, October 3 in the Elementary School Library with Miss Mooneyhan, the president presiding.

Dr. B. G. Childs from Duke University was the speaker.

The following members were appointed on a Constitution Revision Committee, Mrs. Macon, Miss Seawell, and Mrs. Plemmons. This committee is to study the old constitution and make suggestions for any necessary changes.

It was announced at the meeting that the North Central District of the N. C. E. A. is to have a meeting Thursday, October 12, in Goldsboro.

Mrs. Plemmons has been appointed by the Advisory Committee to act as Vice President until after Christmas when Mrs. Simmons returns from California.

Other officers of the organization are Secretary and Treasurer, Miss MacBryde; High School Representative, Miss Simpkins, and Elementary Representative, Mrs. McIntosh.

Temporary Faculty Member

A new member of the faculty this year is Mrs. C. E. Galbreath, who is taking Mrs. Brabham's classes for the present. Mrs. Galbreath, whose home is in Hickory, N. C., is a graduate of Maryville College in Maryville, Tenn. and before coming here taught Biology in the Hanover High School in Wilmington. She is here in Chapel Hill with her husband Lt. Galbreath who teaches classes in recognition in the Pre-Flight School.

New Coach?

S. A. U. Tickets Selling Too Slow

Sale of S. A. U. tickets continued throughout the school last week but according to reports tabulated when this paper went to press results were far below the expectations of Student Council President Helen Jane Wettach. About a hundred and twenty-five tickets have been sold which shows that only half of the student body has thus far purchased a ticket.

In an attempt to boost sales, Council President Wettach has decided to pit class against class with the winner receiving some sort of prize. The prize, to be awarded to the class with the highest percentage of tickets sold, will probably be some special privilege, which will be decided on by Mr. Honeycutt.

Did You Know?

—THAT first World's Champion Series was won by the “Providence” National League team in 1884.

Coached 'Cat Team Last Year

It was authoritatively reported in the high school this week that school officials are seeking to secure Lieutenant John Pecora, former Wildcat coach and now serving in the Marine Inactive Reserve, as athletic director to succeed Ben Hathavay who leaves November first.

The final decision in the matter now rests with the Marine Corps which will probably decide in the next few weeks whether or not Pecora will be returned to the active duty list or given a discharge.

If he does take over the coaching duties, Pecora will be employed as a full time athletic director, the first the High School has had in two years.

Pecora, who hails from Warsaw, coached the Wildcat football team last fall and led his charges to the first undefeated season the school had had in many years.

Bike Racks

Principal A. W. Honeycutt requested last Thursday in Student Council meeting that all high school students who ride bicycles, refrain from riding up the private driveway on the left of the Elementary school. He stated that new bicycle racks are in the process of being built in a shed near the home ec building and in the side yard of the Cone house, and asked that students use these rather than the stands behind the Elementary school.

Olsen Elected Junior Kiwanian

Bill Olsen, President of the Senior class was elected the first Junior Kiwanian of the year in a recent Student Council meeting.
