Proconian To Sponsor Mammoth Carnival

Plans Announced For PU Board

In the process of organization is the Chapel Hill High School Publication Board, which is composed of representatives from the *Proconian* and *Hillife*, who meet to see that the finances and subject matter of the publications are kept up to standard. Members of the board are: Miss Manci, *Proconian* advisor; Barbara Cashion, *Proconian* Editor; Mrs. Macon, *Hillife* advisor; Billy Carmichael, *Hillife* editor; and another member from the faculty, not yet chosen.

The Publications board has the power to remove any person on the staff of either publication, but its principal function is to see that the money necessary to the publication of the paper and the annual is fairly apportioned. An effort is being made to make both publications self-supporting.

Popularity Contest To Be Featured

Plans got under-way in the High School last week for the staging of a mammoth carnival to be presented as the first attraction in the *Proconian* 1944-45 entertainment series. Although the exact date for the event has not been settled, Editor Barbara Cashion revealed last week that a tentative date sometime next month is being deliberated.

The carnival, said to be the largest thing ever attempted in this school, will consist of side shows, games of chance, rides, refreshments and many other added attractions. To be shown for the first time in America, and possibly anywhere in the world are several exhibits which are considered not only astounding, but also unbelievable.

Editor Cashion also announced that as a side light to the great event a popularity contest to select the king and queen of the High School will be held, the winners to be crowned at the carnival.

The entire show will be under the direction of Venitah Sanders, staff entertainment chairman, and her group of assistants.

Final Pep Rally Held

A pep rally to get the student body in shape for the Siler City game was staged Thursday night in the school auditorium. After a number of yells Mr. Honeycutt introduced Coach Tom Lane who in turn presented the members of the football team, some of whom are playing their last game for C. H. H. S.

After a short pep talk by the coach more yells were led by the cheerleaders. A large crowd attended this last pep rally of the football season.
