Students Exhibit Window Displays To Push Sixth War Loan Drive

The Sixth War Loan drive officially opened in Orange County last Monday with an assigned quota of \$518,000; \$283,000 of which will be accounted for in "E" Bond purchases.

In Chapel Hill the drive is being sponsored by a committee of representatives from all town organizations. This committee, headed by Mr. Maryon Saunders, met November 13 to decide on campaign strategy and to inform various groups of their duties, which includes contacting Chapel Hill citizens and securing individual participation in the drive.

The school's part in the drive is twofold. In addition to encouraging students to buy War Stamps regularly, each homeroom has been assigned a store window to decorate.

The Chapel Hill Merchants Association has made store windows available to each of the eleven homerooms in the Junior and Senior High Schools.

The Merchants Association is offering a \$25 War Bond to the homeroom showing the most originality.

NCEA To Sponsor Party For Parents

The Chapel Hill unit of the North Carolina Education Association will entertain parents of the Chapel Hill school students at an open house next Thursday, November 30, in the Elementary School at 8:30 p. m.

General arrangements are under the direction of the social committee, composed of Mrs. Adeline McCall, Miss Florence Mancini, Mrs. Shipp Sanders, Miss Ida Oettinger, and Mrs. Kathleen Barham. In charge of invitations are Miss Mae Blackwelder, Miss Elizabeth Seawell, and Miss Mary Elizabeth Pilley.

Featured on the program will be a group of songs by Sherman Smith and dance numbers by the University dance group under the direction of Mrs. Ruth Franck van Collie. Square dancing will be led by Dean R. B. House and community singing by Superintendent A. W. Honeycutt.

The High School Faculty will serve refreshments in the Elementary School library.—JMS.

Pictured above are Mr. Honeycutt and the C. H. H. S. Student Council representatives who returned last week from the State Council Conference in High Point. (See story, page four.)

Thanksgiving Program Presented

Chapel Hill High School celebrated Thanksgiving this year with a worship service Tuesday morning in Chapel. Music was played as the students entered the auditorium after which Hilda Sharkey led the audience in a litany. A Thanksgiving hymn was sung and a prayer was offered. Robert Brooks presented some thoughts on Thanksgiving after which another hymn was sung. The service ended with a benediction.

High School Is 100 Per Cent In Red Cross Drive

Mrs. Helen Macon, high school sponsor of the Junior Red Cross announced last week that \$28.50 was the total amount contributed in the annual membership drive making the student body one hundred per cent.

The Elementary School also is one hundred per cent in membership having contributed \$136, and a portion of the money was contributed from the earnings the students made by doing odd jobs around the homes.

The Red Cross drive will include other activities such as making scrap books and games for the soldiers. Since the membership drive has terminated, the homerooms will begin this work.

CAPC Members Fly

Approximately thirty-five members of the C. A. P. took their first official ride at the Chapel Hill airport Sunday afternoon in an Army Liaison Plane sent from Raleigh. Three of the four planes scheduled for the flight were grounded in Charlotte because of weather conditions.

A second flight is planned for December 3, for the purpose of taking up those C. A. P.'s who were unable to make the initial flight Sunday.

Volley Ball Courts Reconditioned For Use

Several weeks ago the two volley ball courts behind the Cone House were again put in condition to be used. This was accomplished largely through the efforts of Principal A. W. Honeycutt who saw to it that they were fixed. A third court, below the other two, is now being put in condition for the use of C. H. H. S. girls.

The courts are being used by the boys at lunch and after

school, and by the sixth period Physical Education class. They go a long way in providing entertainment for students in their off-time.

No Swimming Team

Willis Casey, University swimming coach, announced that the swimming pool was so full that it would be impossible to start a high school team before February.
