might try to escape to one of these and from there go to Argentina, where he has many followers.

There is a probability that Hitler might commit suicide as he sees the defeat of his empire. Of course there is also always the possibility that Hitler will do neither of the above-mentioned but try to surrender and give himself to the mercies of the United Nations.

One thing is certain, wherever he goes or whatever he does the world will not let him escape just punishment for his innumerable crimes.

## PROCONIAN

By David Sharpe

The deadline hour was nearing fast,

As through the Cone house portals passed

A youth, who, with his sugar ration,

Hot copy brought for Barbara Cashion:

Proconian!

His hair was wild; his eyes beneath

Were red; he hadn't brushed his teeth;

And like our first-year Latin rung

The accents of that foreign tongue,

Proconian!

The hall was packed; the sophomores

Were oozing through the open doors

As our brave hero made his way—

This copy must be in today!

Proconian!

"Try not the stairs!" the freshman said;

Our hero smiled, yet onward led His footsteps. "Wilt not have a guide?"

But loud that clarion voice replied,

"Proconian!"

"Oh stay," the sophomore said,

"and rest Thy weary head upon this breast!"

He answered, as he turned away,

"No! What would our adviser say?

Proconian!"

"Beware the door that meets your eye—

Myers requires your alibi!"

This was the junior's last good-night;

A voice replied, though out of sight,

"Proconian!"

At last they rang the tardy bell,

And Cashion muttered, "Where the h——!"

They hoped and prayed five minutes; then

They buckled down to work again;

Proconian!

This student, by the faithful hound,

Half-buried in the trash, was found

Still grasping, in his hand of ice,

## A KISS—

Is a noun because it is both common and proper.

Is a pronoun because she stands for it.

Is a verb because it is both active and passive.

Is an adjective because it modifies the act.

Is an interjection because it expresses strong feelings.

Is a preposition because it has an object.

And is a sentence because it expresses a complete thought.

—Goldsboro Hi-News.

That paper with the strange device,

Proconian!

There in the office, cold and gray,

Soaked by the tearful staff, he lay;

Hark! From the hall, jam-packed and loud,

An echo, heard above the crowd, "Proconian!"

## Merritt Stars In 28-24 Triumph

Friday night at the Woman's Gym, the Chapel Hill High girls ended their season with a triumph over Methodist Orphanage 26-24 in the hardest fought game of the season.

Coach Lloyd's cagers took the lead early in the game and managed to hold it throughout the contest. The game was a thriller and at the half the CHHS girls held the lead 16-14 with scoring by Phillips, Merritt, and Hogan.

The kittens plunged ahead in the second half to extend their lead. The scoring was fast and frequent by both teams, but in the last forty-five seconds the CHHS girls sank two baskets which brought them a victory of 26-24.

Evelyn Merritt was high scorer for the evening tallying twelve points. She was followed by Hogan, Phillips, and Sparrow having excellent backing by the guards, Scott, Merritt, Hamilton and Cashion, who had not seen action since the Cary game due to an accident.
