

**TOURNAMENT**

*(Continued from page one)*

some reports that Asheboro is considering entering teams — thereby forcing the 'Cats to play in the semi-final round Saturday night—but at last reports from Tournament Headquarters there was no confirmation of this.

If and when the Wildcat teams do win their first game, it can be pretty well said who they will meet in the finals. In the boys' division, Burlington, according to pre-tournament information, is the best team in the upper bracket and should have no trouble reaching the finals. The same source states that Efland seems to have the powerhouse in the girls' upper bracket and also should reach the finals.

**TO LEAVE**

*(Continued from page one)*

County 52 years ago, was a student in the University from 1914 to 1918 and was in Navy aviation during World War I. For two years he was high school principal in Burlington. The following year he went to Roanoke Rapids as principal of the high school in 1922 and later became superintendent.

Mr. Davis will assume his new duties July 1.

**C. H. H. S. Graduate Does Well In College**

Betta MacCarthy, who graduated from C. H. H. S. in 1942, has been at Sarah Lawrence College in Bronxville, N. Y., for the last three years. The first article in the Sarah Lawrence *Studies* for 1945 is Betta's biographical sketch of Alexander Hamilton.

Written in her first year in college, the sketch shows Hamilton as a man and gives a vivid picture of his personality. It is carefully written, and the scope of material shows that lengthy research was necessary to write it.

Sarah Lawrence is an exclusive girls' school near New York where new methods of teaching have been pioneered. Betta has done excellent work there, and has received recognition from the authorities of the school.

**Baseball Equipment Arrives**

New baseball equipment has been received and is now in Mr. Honeycutt's office for those who wish to see it. New equipment was obtained for the football and basketball teams which experienced fairly successful seasons. It is hoped that the baseball season will be as fruitful as Chapel Hill's other athletic seasons.

Charles Stanbach, athletic director and basketball coach, will coach the baseball team.

**Girls To Form Softball Team**

The girls' softball team is now being organized and practice will begin after the basketball tournament ends about the 12th of March. The team will be coached by Miss Hodges from the University. Since none of the other high schools have softball teams, the girls' games will be played with University and other local teams. Any girls who are interested in joining the squad, see Miss Hodges or "Bootsie" Taylor.
