"Well, it's pretty hard to tell at this point."

A native of Raleigh, Ann attended Needham Broughton High School of that city before going to the Woman's College. After two years in Greensboro, she transferred to the University where she completed work on her degree, graduating this year.

Now instructing in the University, Ann plans to return to her home town next fall and take over the duties of girls' physical ed director at her alma mater.

According to reliable sources, Ann's secret ambition is to play the bass fiddle. Wonder if she's ever met Houston Teague?
