## Knights Prepare For Third Annual Catechism Quiz

Complete details and rules for the third annual Knights of Columbus Catechism Contest, sponsored by the North Carolina State Council, were made available for distribution at the Mid-Year meeting of the Council held at Holiday Inn South, Greensboro, on Sunday, January 24. All councils in the state will have entrants.

This is the third year that the State Council has sponsored this event for 8th grade students. The winners who will represent each of the 15 Councils in the State, will compete in the State finals to be held on Sunday, April 4th at 1:30 p.m., at Our Lady of Lourdes School, 2912 Anderson Drive, Raleigh.

The winner of the finals who will be declared North Carolina Champion, will be awarded a \$50.00 Savings Bond or one week at Our Lady of the Hills Camp. Second place winner will receive a \$25.00 government savings bond, and third place winner will receive a \$10.00 cash prize. The school which the champion represents will also receive the Sir Francis Heazel Trophy for one year's display at the School. In addition, each State Contest entrant will receive a handsome Participation Certificate.

Each of the Councils in the State will award a prize to the winner in their local contest, usually in cash or a Savings Bond, in addition to bearing the expenses for the trip to Raleigh and back.

**ROBERT J. HANSON**, State Youth Activity Chairman, is spearheading this worthy project, and any Grand Knight or Youth Activity Chairman of any Council who was not at the Mid-Year meeting in Greensboro, is urged to contact Brother Hanson for further information. His address is 1011 Onslow Drive, Greensboro.

North Carolina Council State Deputy, Donald F. Cole, Asheville, is anxious that all eighth grade students be given the opportunity to participate in this catechism contest, and that they begin now to study the approved catechism textbook if they desire to compete. These textbooks are in the hands of the Council Youth Activity Chairman.

"We want to see all councils participate in this project," said the State Deputy to all Grand Knights. "Remember also that the purpose of the contest is to promote a greater knowledge of our religion and a more articulate laity. The more who compete, the wider this knowledge will be spread."

**\$56 million in '65**  
to help the Carolinas grow...

The Carolinas are moving ahead so rapidly on so many fronts that an essential industry such as ours has to run pretty fast to stay ahead.

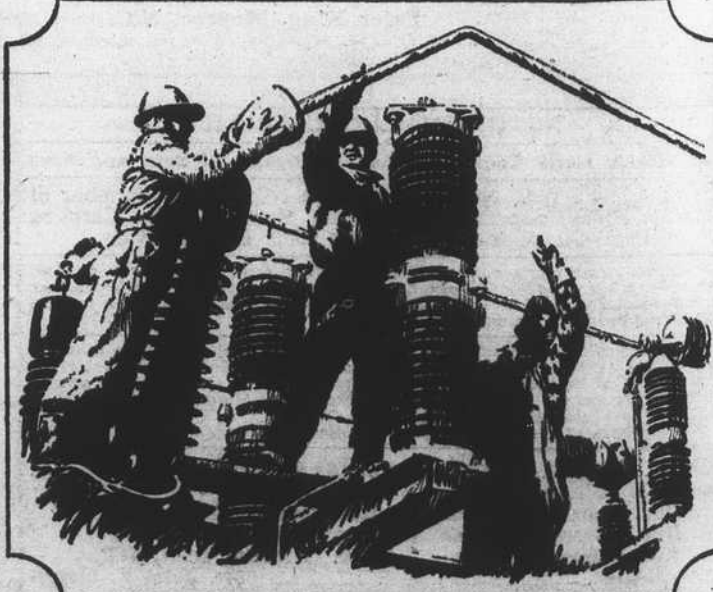

To provide for your growing electrical needs, plus an adequate reserve, CP&L will be making capital expenditures of \$56,000,000 in 1965.

Part of this money will be invested in a new generating plant at Roxboro. Only last year we dedicated our Asheville plant, but before it was finished construction was under way at the Roxboro site. Part of our spending in 1965 will be to build new lines to serve the ever-growing needs of homes and businesses. Part will go to build 230,000 volt transmission lines that will strengthen the interconnections between our system and neighboring companies.

Where will the money come from? From the Company's earnings and from the savings of thousands of people who invest in this business.

Who will benefit? Many people—for as the money is spent through businesses, it will help to create jobs and wages.

But the main purpose is to provide you—in your home or on your job—with the best possible electric service at reasonable prices. This is one of the ways CP&L is helping to build a Finer Carolina.
