Names of New Buildings Have Great Significance

Doyle Hall is named for two Sisters who have the same surname but who are not related by blood. Mother Mary Raphael has been closely associated with Mercy Hospital through the years. As Mother Superior of the Belmont community in 1935, she was instrumental in the foundation of Sacred Heart College.

SISTER MARY ANGELA DOYLE worked tirelessly for the establishment of Sacred Heart College from 1927 until 1936. Through her efforts and those of Mother

Raphael, the Mother Superior in 1935, her dreams became a reality. Reverend Raphael Arthur, O.S.B., Reverend Cuthbert Allen, O.S.B., and Reverend Bernard Roswog, O.S.B., all of Belmont Abbey, rendered valuable advice and assistance toward this end.

Sister Angela is even today held in loving remembrance by all who were privileged to know her for her wonderful human qualities and her keen mind.

THE SISTER HELEN McCARTHY LIBRARY is a magnificent building, comprehensive in scope and a fitting monument to the self-sacrifice, dedication and efforts of the one for whom it is named. He is truly representative of the ideals of Sacred Heart College. This year's outstanding achievement has been made possible by her dedication and devotion.

Sister Helen, generous and untiring in devotion to duty, has been consistent in her efforts to uphold the ideals of the college.

Sister Mary Annette is the chief librarian of the Sister Helen McCarthy Library. Sister Annette has a M.S. in Library Science from the Catholic University of Ameri-

Tutorial Team to Work for Six Weeks in Elizabeth City

Winooski Park, Vermont — A veteran of last year's tutorial team at Elizabeth City, N.C., will captain the volunteers from St. Michael's College who will work with promising Negro pupils there again this summer.

Gary B. Kulik, son of Mr. and Mrs. Stanley Kulik, 29 Bartels St., Springfield, Mass., has been designated as the captain of the six-man team that is volunteering six weeks this summer. A dean's list student, he will be a senior in American Studies this fall.

The announcement came from the Rev. Moses B. Anderson, S.S.E. Father Anderson, a member of the Theology faculty at St. Michael's, is a former pastor at St. Catherine's Parish in Elizabeth City. He told his St. Michael's students about the number of students in that area who have little chance to gain admission or scholarships for higher education.

Last summer, at the invitation of the Elizabeth City Improvement Association, six students went with Fr. Anderson to the North Carolina City. Living in the rectory and using the parish school, they tutored some 60 boys and girls from the four counties around Elizabeth City.

They specialized in English and Mathematics. Fr. Anderson said that the pupils were nominated by the guidance officers at the schools and that he has received many favorable reports on the value of the tutorial sessions.

He spent the Easter vacation discussing plans for the second year with officials at Elizabeth City. The students on campus, meanwhile, are making arrangements to raise money to cover their expenses.
